The Past is a Yesterday made  
up of Memories.  
The Present is a Today made of  
Priorities.  
The Future is a Tomorrow  
made up of Destinies.

the other. One is not possible without  
the others.

Experiencing the past, present, and future is a little like driving a car. The Future is when you look out the front windshield, over the hood ornament, at the things ahead of you. The Past is when you look at the rearview mirror at the things you are leaving behind. The Present is being in the driver's seat, in charge, steering, and going wherever you wish.

future is to use our imaginations.

The **Past** is the story of how we have come to be where we are now.

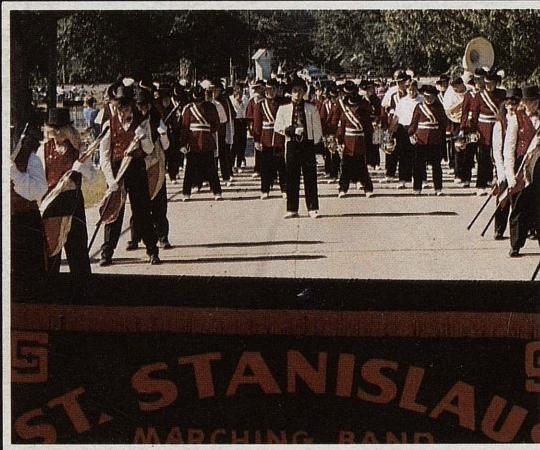

The **Present** is the daily opportunity that we have to become the fullest person that we have the talent to become.

The **Future** is what is ahead and springs from the other two.

St. Stanislaus, our school, is one of the major links in our life between the present and the future. What we achieve by means of our effort and hard work not only prepares us for the future but helps to mold our character in the present. While the future is unknown and full of mystery, opportunity is in the present. May God give us the courage to use it!

## FEATURES

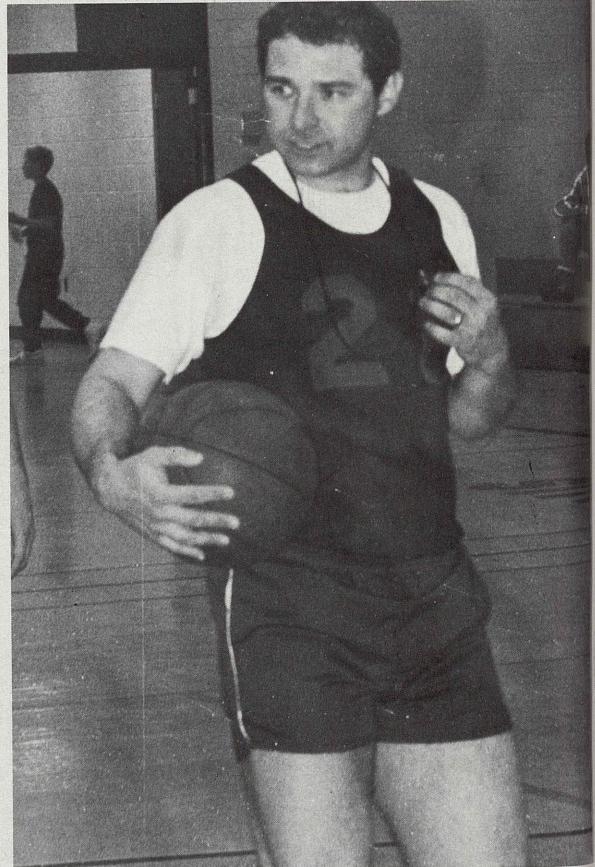

# ALUMNI —

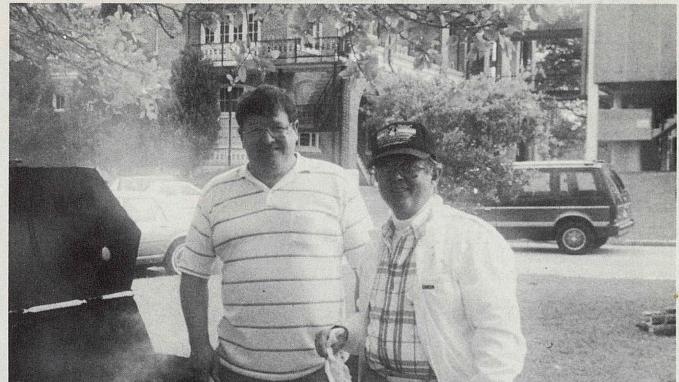

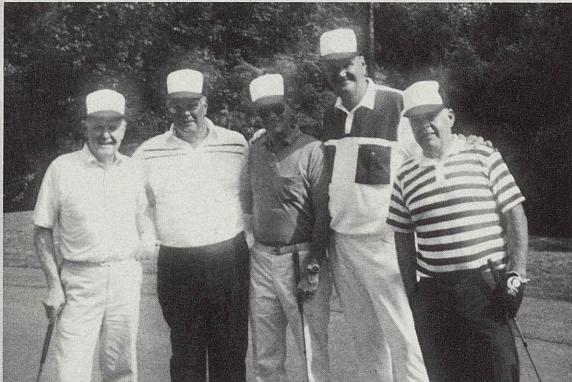

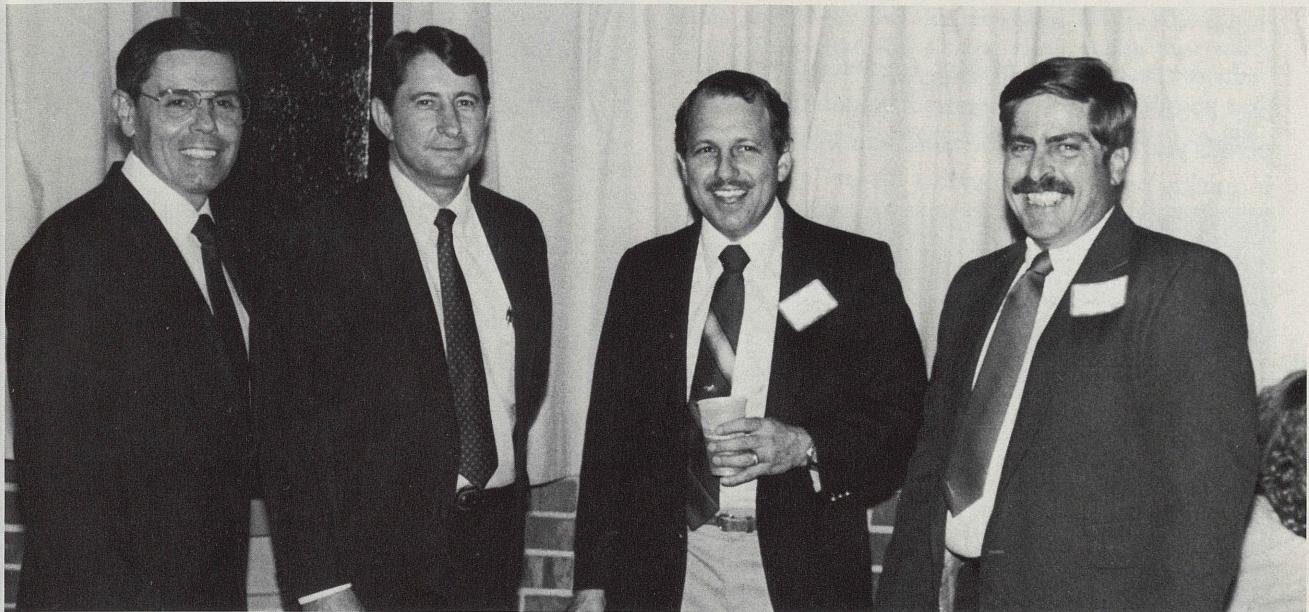

Approximately 400 alumni and friends attended the SSC Annual Alumni Reunion on Saturday, January 21, at the Jefferson-Orleans in Metarie, La. At the reunion, five classes in particular were honored — namely those classes celebrating a ten-year period since their graduation (classes of '49, '59, '69, and '79) and the class celebrating their 25th year of graduation (class of '64).

In addition to this reception, many other alumni activities and "get-togethers" occurred throughout the school year. One of the highlights of these activities was an invitational golf tournament sponsored by the Alumni Association. One of the most notable of those attending was 1942 graduate Doc Blanchard, most famous as a three-time All-American football player and winner of the prestigious Heisman Trophy.

The SSC Alumni Association is one of the most active and productive associations of its kind in this area. It is ably directed by Brother Aquin Gauthier who keeps the alumni constantly informed through periodic newsletters and special notices.

# BAND

In the second year of Mrs. Choina's direction, the 1988-89 band program had another prosperous year. Although the band had a rough start it quickly pulled itself together for an "excellent" performance at Tylertown. After the football season ended, the band quickly prepared itself for the Christmas parade and concert. At the Christmas parade, the band performed a selection with Bay High's band in front of the courthouse. At the concert, the band performed many Christmas favorites. The wind ensemble also accompanied the barbershop chorus. After Christmas vacation, the band began preparing for its concert season. During this time, the band also performed in several parades. They performed in the Nereids parade, Veterans' Day parade, and the St. Patrick's Day parade. On May 11-14, the band competed in Panama City. They received a Superior in marching and Excellent in concert.

# BARBERSHOP

Four people singing in harmony together is called a barbershop quartet. The lead carries the melody, which is harmonized by the person who holds the position of bass. The tenor tops off the previous two singers and the fourth and final man, the baritone, pulls it all together.

Barbershop is fun to listen to and it is also a challenge to the members of the chorus to continually come up with more songs to entertain their audience. Barbershop gives people with a decent voice a chance to shine.

Brother Pierre St. Pierre, S.C., is the moderator for the chorus and did a wonderful job in getting together a wonderful set of voices for this year's session.

# BOY SCOUTS

---

Boy Scouts is an organization that teaches responsibility and in the process provides fun and excitement. Troop 86 consists of scouts ranging from the very first rank of scout to the highest possible rank of Eagle. The troop goes on many camping trips during the year. The troop takes at least one camping trip a month. Some trips taken this year were a 16 mile hike in Vicksburg, a day outing to the zoo, and a special trip to Disney World during the Easter holidays.

This year the leaders of Troop 86 were Brother Timothy, Scoutmaster; Chris Penton, Senior Patrol Leader; and Mesut Atimtay, Assistant Senior Patrol Leader. These leaders made sure camping trips and weekly meetings ran smoothly.

During the summer the Boy Scouts are planning a trip to scout camp in Pearlington. Also the advanced scouts are going to Philmont, New Mexico for mountain hiking.

The Troop has its meetings on Wednesday nights at 7:30 in the Brother Peter Memorial Gym lobby.

# CHEERLEADERS '88-'89

---

The 1988-'89 cheerleaders began the year on a high note. The girls attended cheerleading camp and won The Most Improved Award along with Spirit Captains Award being presented to Brian Alexander and Hayden Laroux.

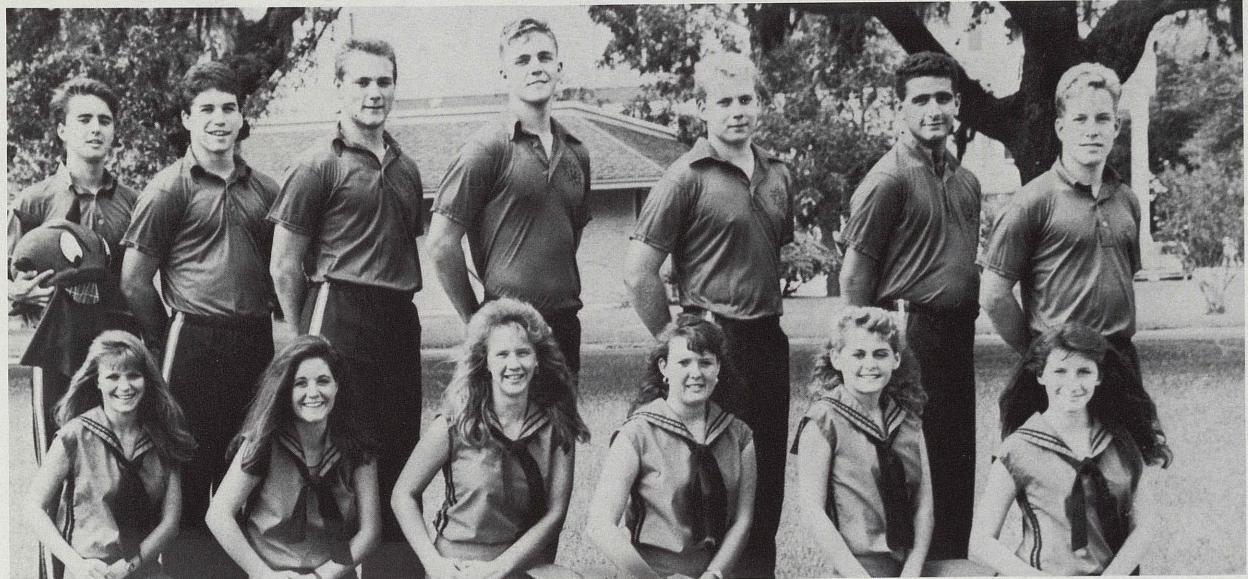

Miss Suzanne Coffey, moderator, never had a dull moment with the lively group. The cheerleaders were in charge of pep rallies and had a lot of fun with various contests such as the Mr. Cool and the pie-eating contests.

The season closed with a sports banquet at which the cheerleaders received jackets in appreciation for all the hard work and dedication they have given the school over the course of the year.

# COMPUTER CLUB

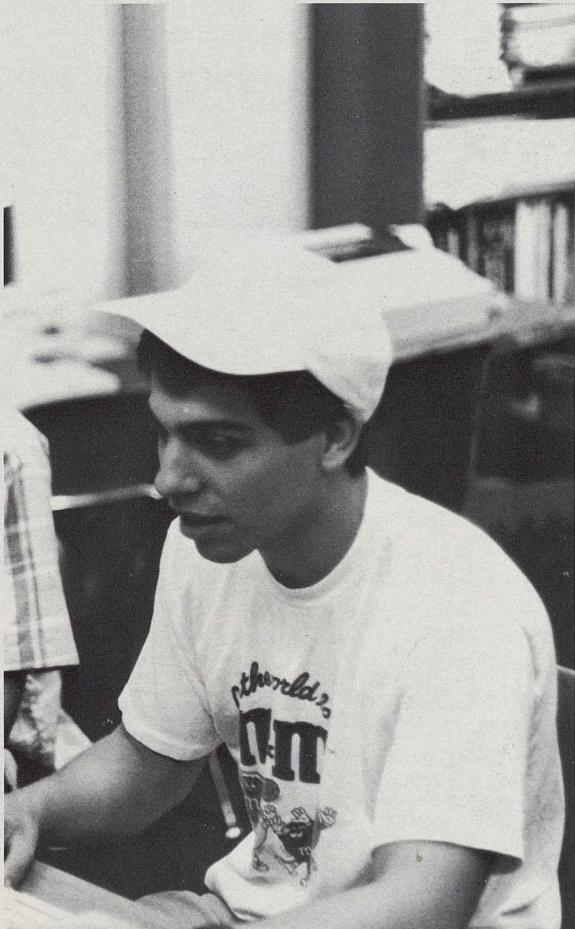

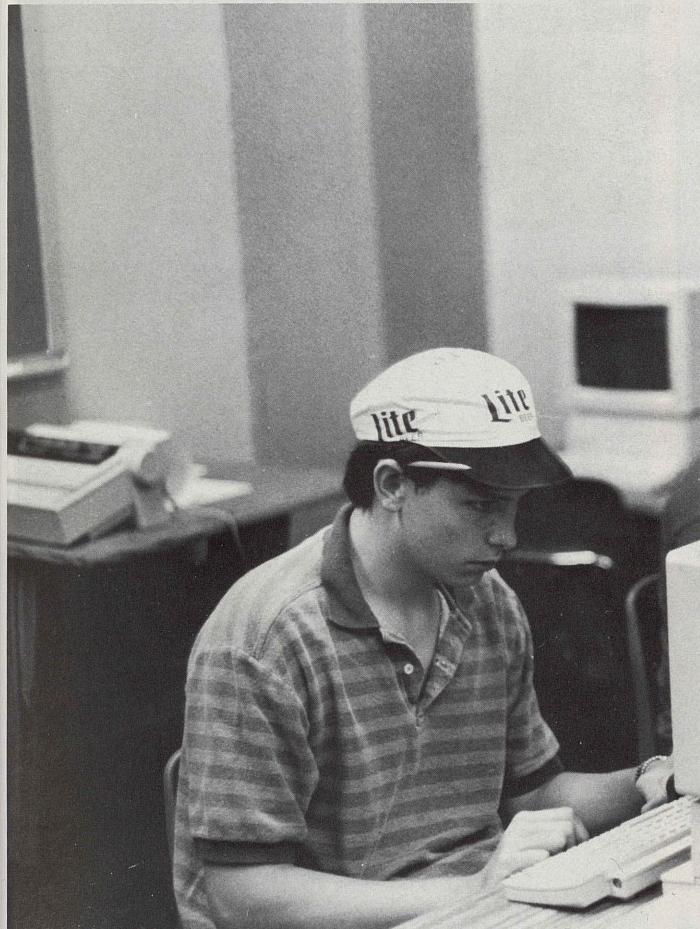

For the third consecutive year of its existence, the SSC Computer Club continued to broaden in scope. Established activities took on fresh existence through the inspired guidance of the president Chris Arcement. The field trip to NAVALOCEANOGRAPHIC, at the Stennis Space Center exemplified the latest uses of space-age computer technology. The 26 members in attendance were most impressed with color plotters, capable of producing incredible detailed print-outs.

After a brief introduction to word processing, members learned to increase their skills to include Printshop Publishing.

Artistic skills were tested using a graphics program. A club logo was an offshoot of these graphic explorations. Credit for the basic composition goes to Two McKee.

Later, meetings were devoted to a touch of basic programming. New programs will provide next year's club with excellent activities with IIgs capabilities. A video digitizer will benefit the entire school by allowing vast photographic quality pictures to be integrated with text, into sport programs, for example.

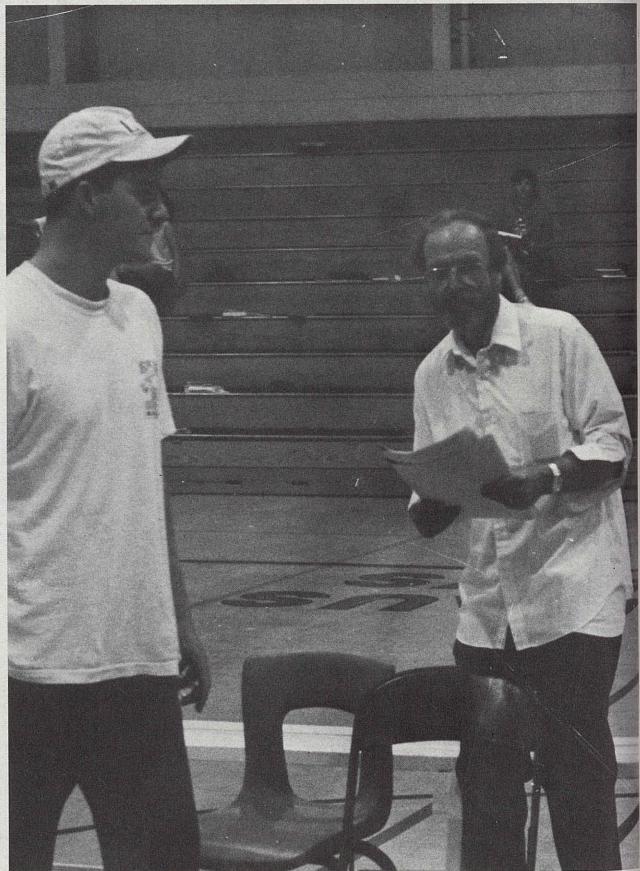

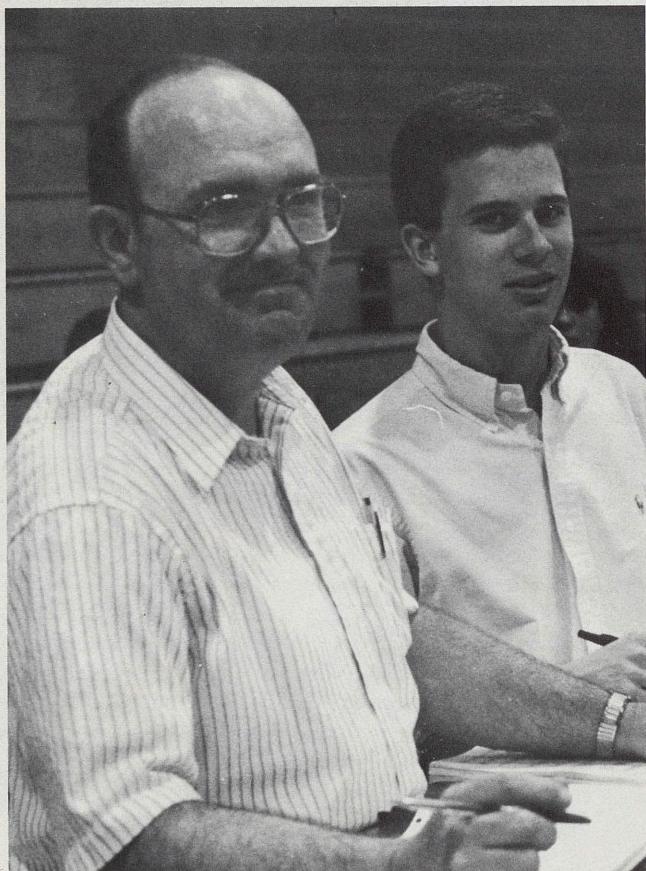

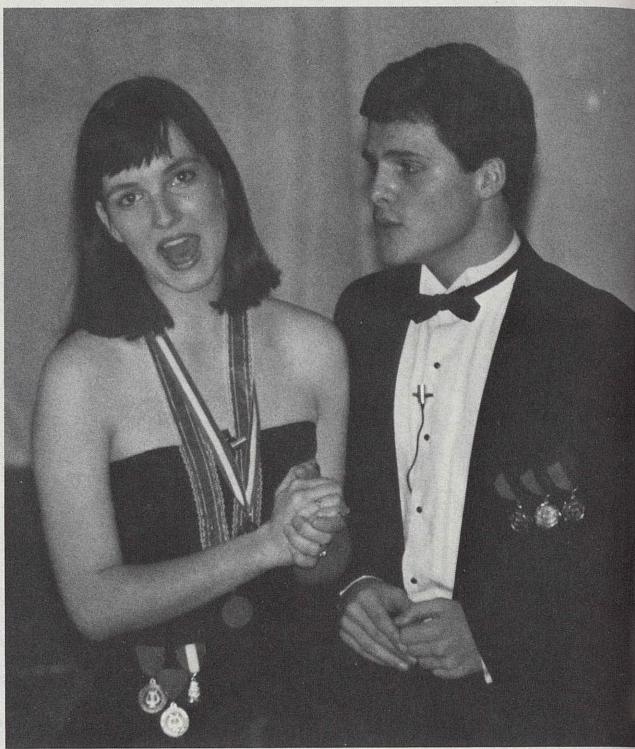

# *SSC DRAMA CLUB*

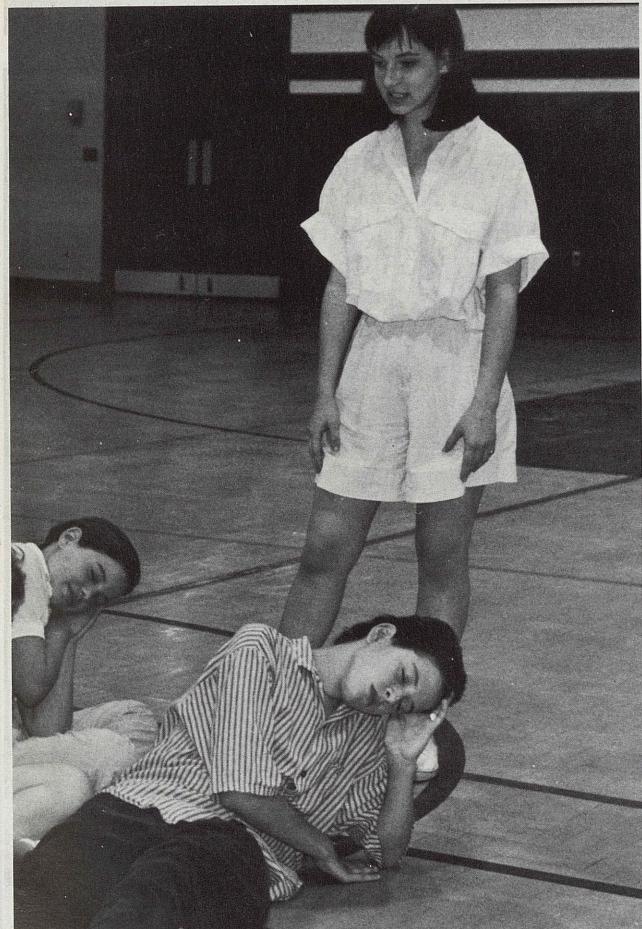

---

This year the Drama Club produced a fine musical, "Annie Get Your Gun," and as was expected, it was a tremendous success. It contained good comedy, skilled acting, and spirited singing.

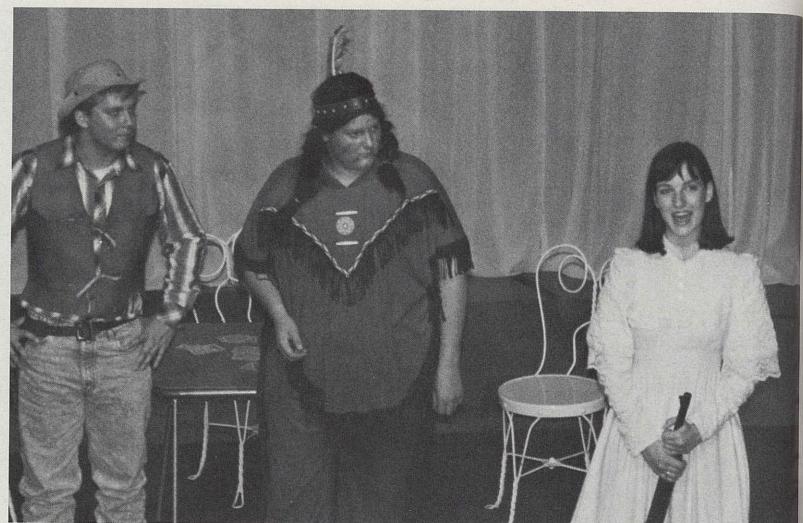

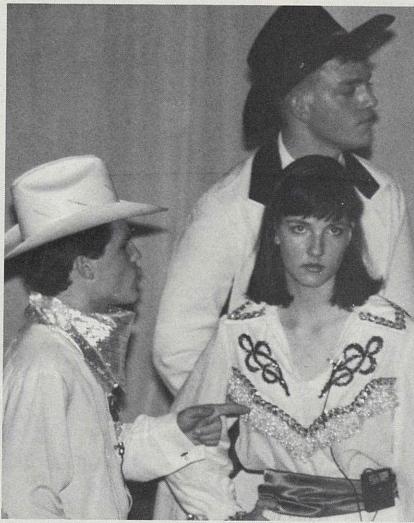

The play is about a country girl named Annie who happens to be good with a gun. She falls in love with Frank Butler, an excellent marksman also, but they push each other away. The Wild West show with which they are touring splits up and they are separated. Finally they are reunited, marry, and live happily ever after.

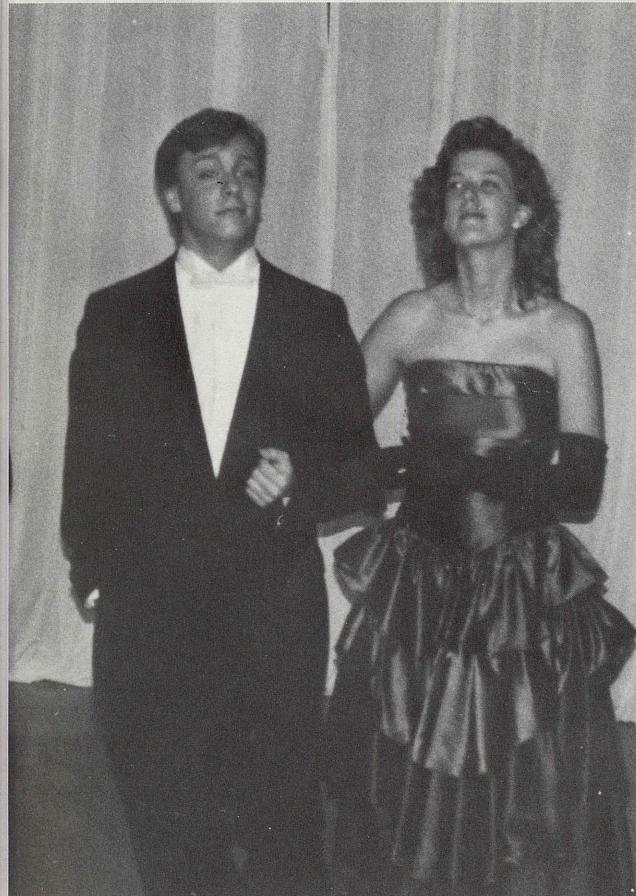

The play was directed by Mr. Walter Damiens and student director Richie Redditt. Lights and music were coordinated by Mr. Tom Ackerman. The play starred Jimmy Benigno as Frank Butler and Anna DeMarco as Annie.

# HOMECOMING '88-'89

The week of Friday, Oct. 14 was homecoming week for St. Stanislaus. This annual event is always eagerly awaited. All alumni were also invited to take part in the numerous campus activities.

On Thursday evening a pep rally was held in the school gym to support the football team. Each grade dressed up according to their chosen theme. Several competitions were held. The "tug-of-war" was eagerly looked forward to by all.

On Friday, a Homecoming party was held for alumni and friends in the mall.

The Homecoming game between St. Stanislaus and Riverdale High School of New Orleans on Friday was a big highlight of the week.

Another major part of the activities was the homecoming court. This year's queen was Ann Allen. Maids were Ashley Carter, Anna Dean, Jennifer Sandifer, and Leslie Smith.

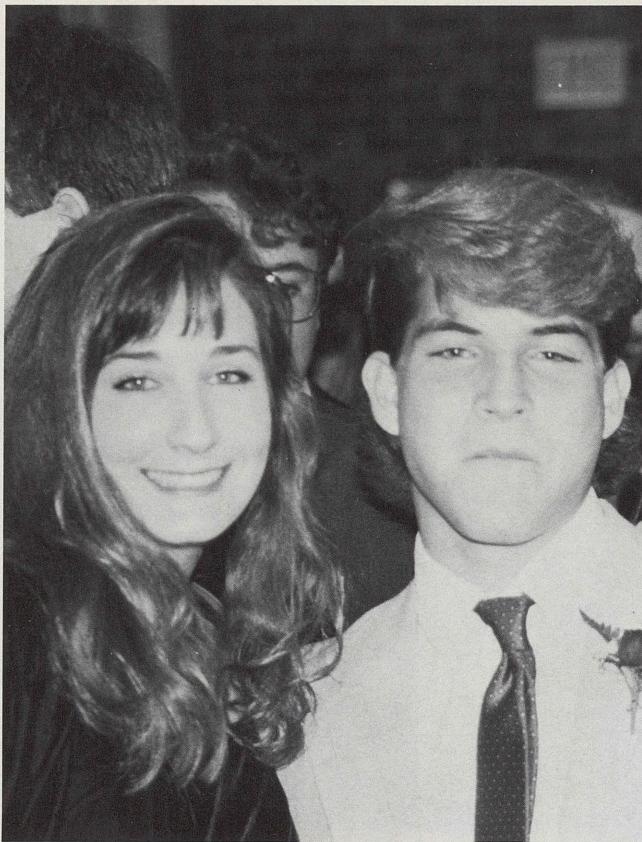

The court was introduced and recognized at the Homecoming dance on Saturday. This dance was held in the student union and was open to all students.

# *Intramurals*

---

Each year without fail, St. Stanislaus students of all sizes hit the athletic fields in their quests for the elusive title of "Intramural Champion." This year the moderator of the Intramurals was Mr. Tom Eldringhoff. He introduced ultimate frisbee among our regular intramurals. Intramurals are not only fun, they promote many qualities that are instrumental in building character in young men. Intramurals promote leadership qualities and help to bring about teamwork. Due to the fact that these young men have to work together on the field of competition, they become better friends and work better in the classroom.

Over 200 students participated in what has become a favorite pastime among many classes. The winning classes were awarded with trophies.

# KEY CLUB

---

In its second year, the SSC Key Club has grown from the original 30 members to a membership of 55 Key Clubbers. Another goal the club set for itself was to establish itself as a service organization in the community. Now the club receives calls for help and assistance for people and groups in Bay St. Louis.

Some of the projects this year included working with the elderly at Miramar Nursing Home. Monthly projects of bingo and prayer service as well as a Valentine's Dance for the residents formed the core of this service work. Also for the elderly, the club helped to move 5 couples into the new Notre Dame de Mer Apartments. With the school, the club invited Odyssey House to speak to the classes as well as sponsoring a leadership conference for the students, and a First Friday Mass centered on the theme of youth. In addition, the club sponsored a career day for the juniors and seniors and encouraged students to write to servicemen overseas at Christmas. This year saw an increase in service and a growing awareness of the needs of the school and community.

# PHOTOGRAPHY

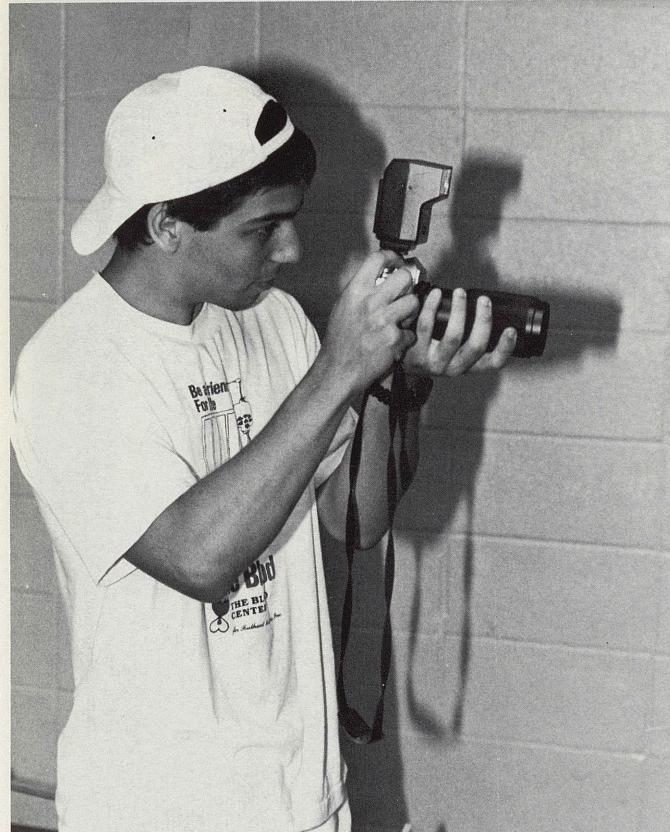

---

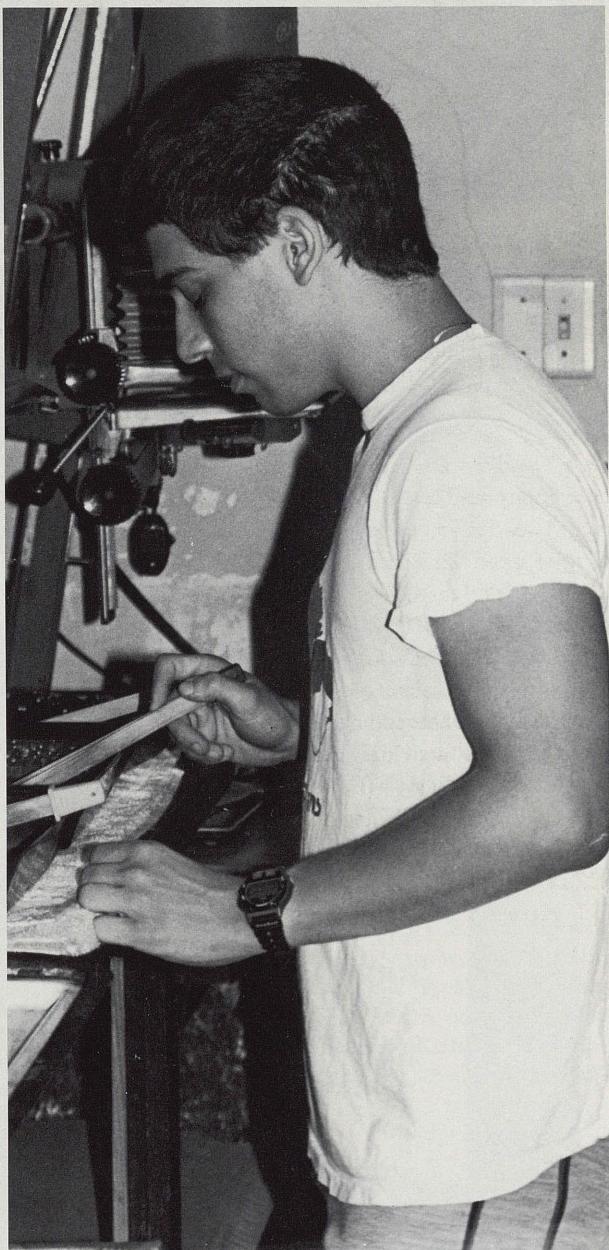

Someone once said, "A picture is worth a thousand words," and it's a motto the members of the St. Stanislaus photography staff live by. Without pictures, there would be no yearbook for you to be looking at now. Without pictures, our newspaper, *The Rock-A-Chaw*, would be barren.

Responsible for these publications, as well as LWAS and publicity photos, Chief Photographer Jonathan Morrill; Head Darkroom Technician John Endom; Stanley Leblanc, photographer and darkroom; John Fisher, darkroom and Dennis Behan, photographer, scurried about to capture on film all of the activities that make up the life of St. Stanislaus. Spending many long hours both behind the camera and in the demanding work of developing and printing, these staff members often go unnoticed, but the results of their efforts are always in the public eye, and is very much appreciated.

*OPPOSITE PAGE TOP:* Jonathan Morrill and the rest of the SSC photography staff did an excellent job this year taking photographs and put in many hours covering the events for yearbook, LWAS, and publicity purposes. *OPPOSITE PAGE BOTTOM:* The photography staff consisted of Jonathan Morrill, John Endom, Dennis Behan, and Stanley LeBlanc (this page). *LEFT:* Jimmy Watts and Stanley LeBlanc print pictures to be used in this year's edition of Reflections. *BOTTOM LEFT:* Stanley LaBlanc sets the flash unit at the proper setting prior to taking his next shot. *BOTTOM RIGHT:* Stanley LeBlanc worked many hours in the darkroom throughout the year.

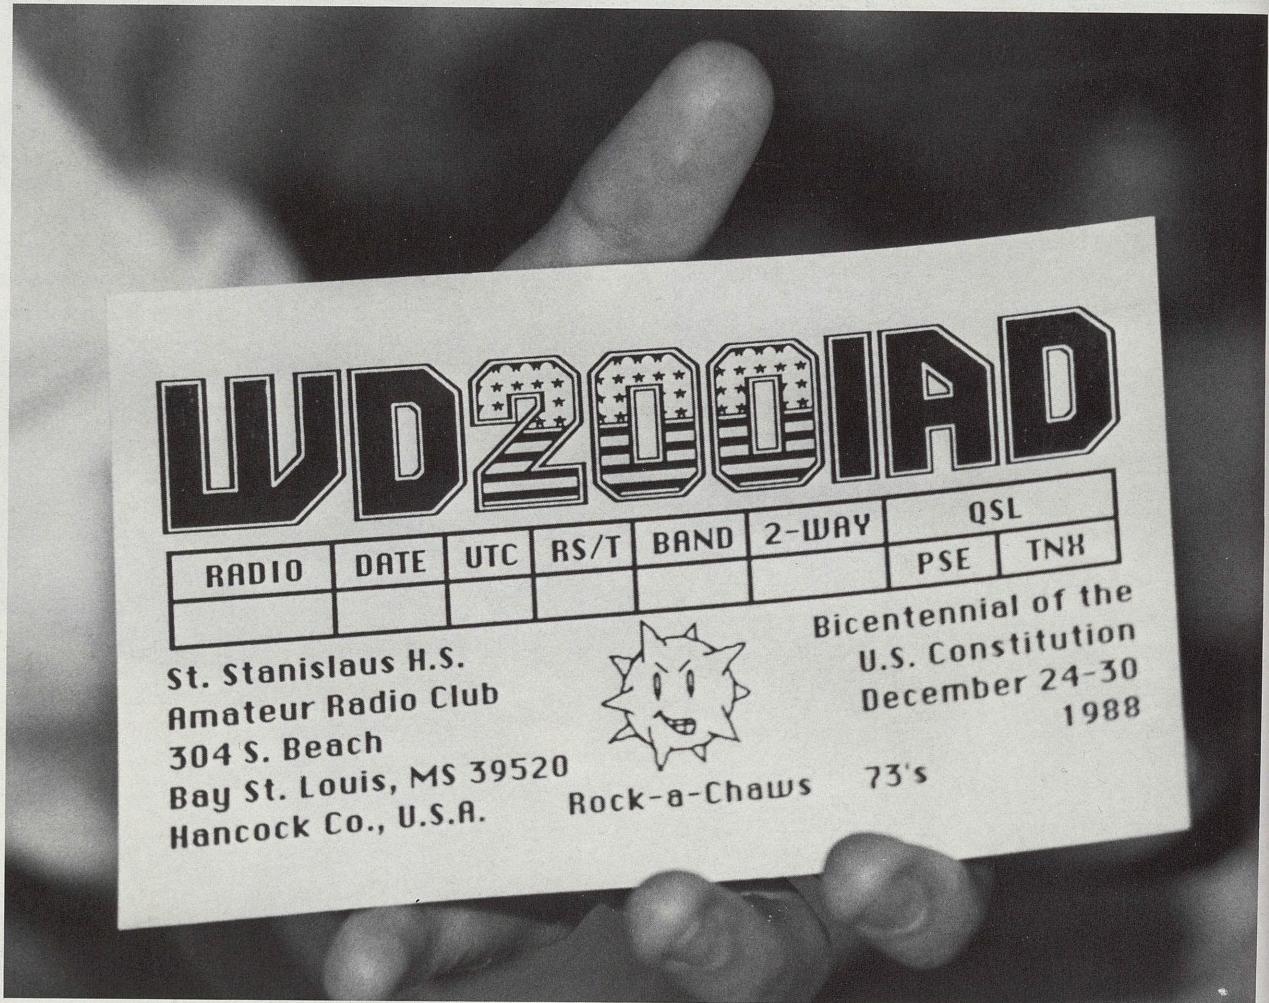

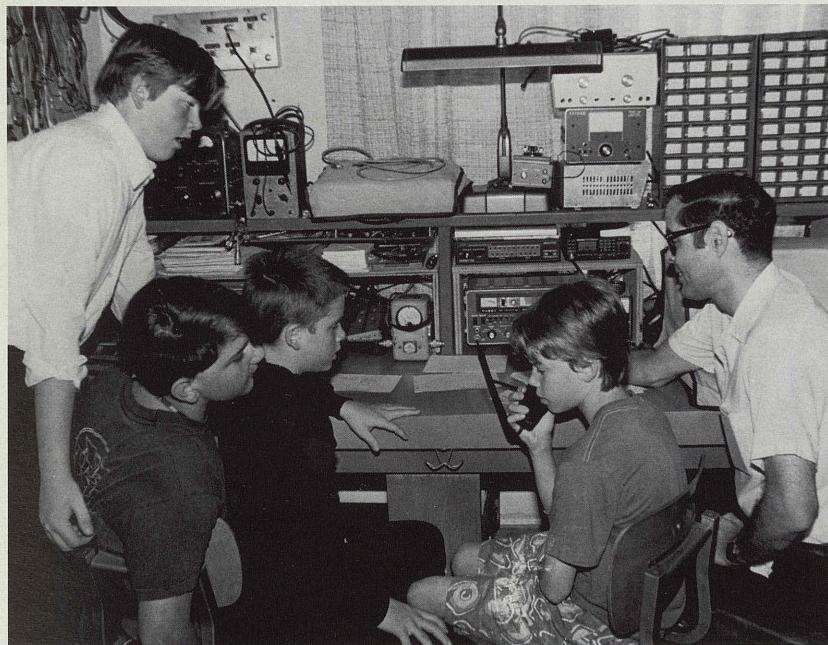

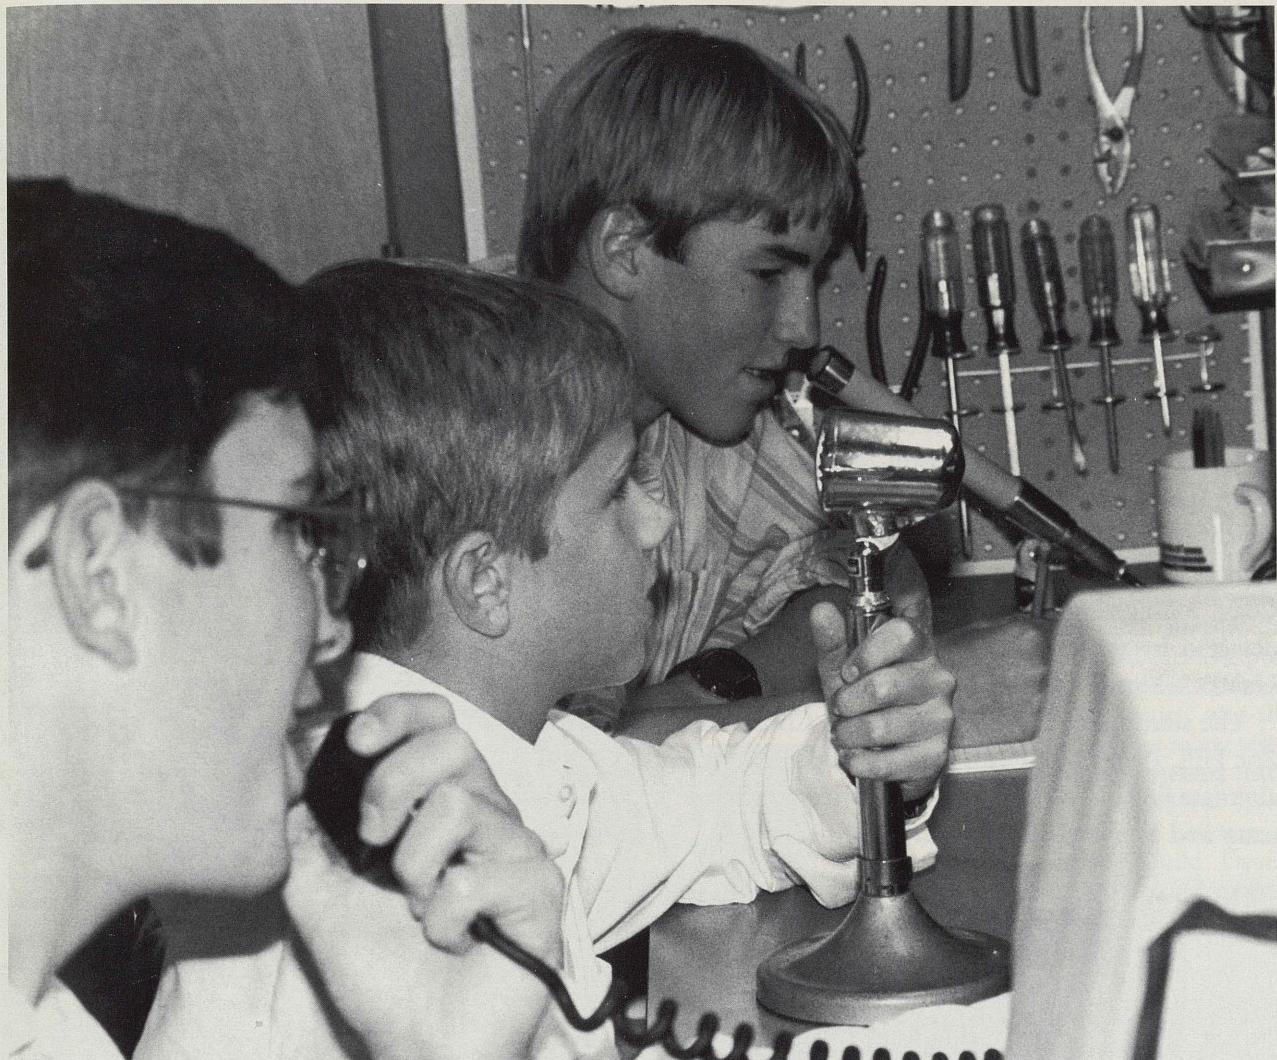

## SSC RADIO CLUB

The SSC Amateur Radio Club has had a very successful and excellent year. Brother Eduardo, club moderator, started off the year by offering the eighth grade class an amateur radio course. Through his time and devotion, eleven new members were introduced to our Radio Club, and the expanding world of Amateur Radio. Along with the three previous members there were now a total of fourteen in one of the few "ARRL" affiliated clubs in Mississippi.

The club has been involved in many exciting events this year. In celebration of the bicentennial of the U.S. Constitution, the club operated under a "200" call sign. The members had only one week to use their special call, WD200IAD, and were determined to "heat up the air waves." The operation lasted for five days and resulted in almost 1,000 contacts from all over the world. After resting awhile from this exertion, members assisted with communications for the second annual 5K race sponsored by the St. Stanislaus Key Club.

A course to help members upgrade to higher class licenses was conducted during the spring. Throughout their daily successes and failures, mutual supportiveness and sharing have made the year with amateur radio one which club members will remember.

**OPPOSITE PAGE TOP:** The '88-'89 Radio Club consisted of Jimmy Watts, Stanley LeBlanc, Jim Brue, Bernard Sy, Kelly Ladner, Mansel Bell, Wayne Murphy, Jimmy Williams, Seth Lavoie, Cliff Pope, Geoff Kohl, Bert Courrege, Sean Zeringue, Two McKee. **OPPOSITE PAGE BOTTOM:** The Radio Club's special project and call sign during the celebration of the Bicentennial of the U.S. Constitution. **TOP:** Wayne Murphy, Geoff Kohl, and Mansel Bell speak with other "hams." **LEFT:** A group of Boy Scouts try out the Radio Club equipment housed in Brother Eduardo's dorm.

# QUIZ BOWL

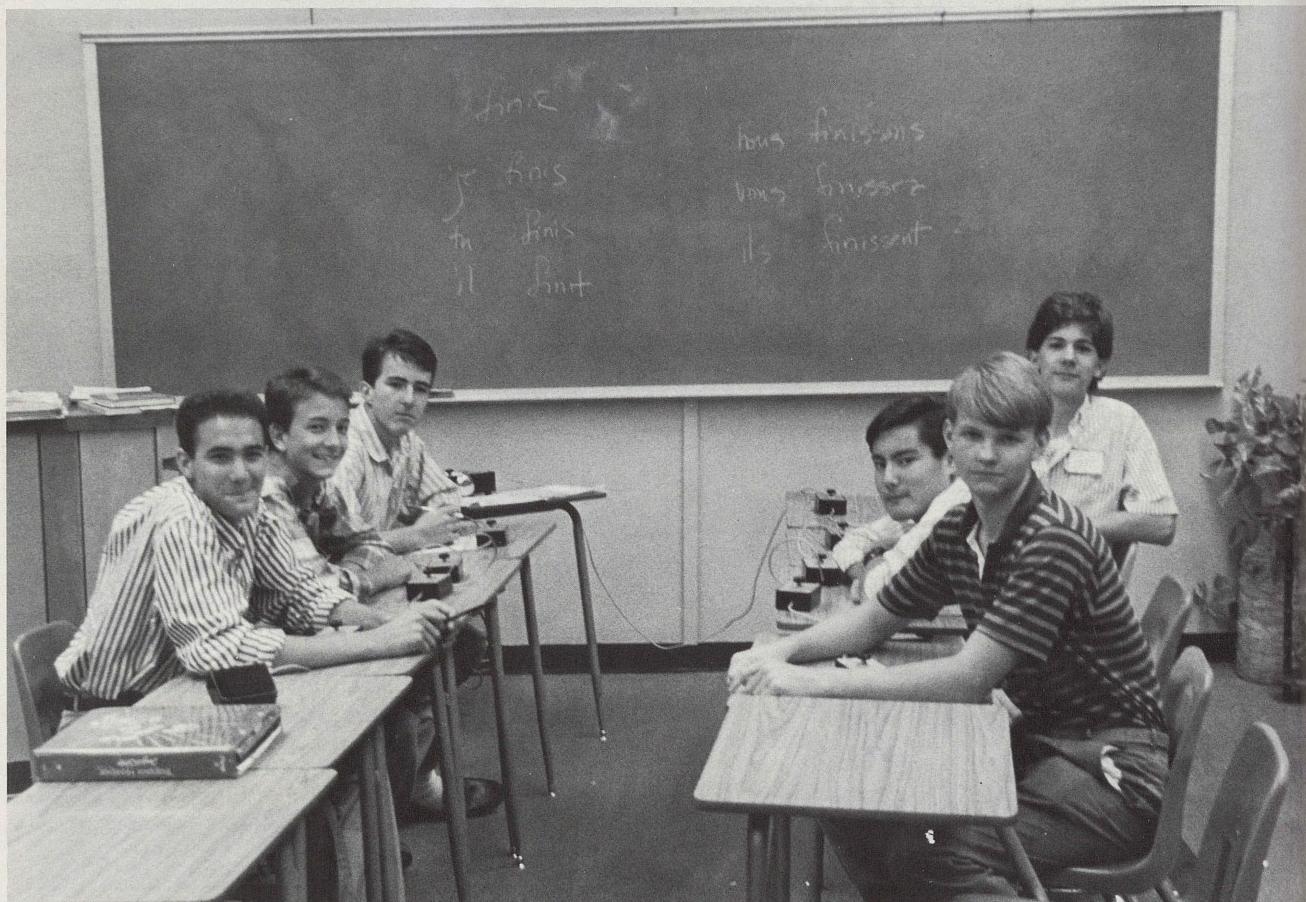

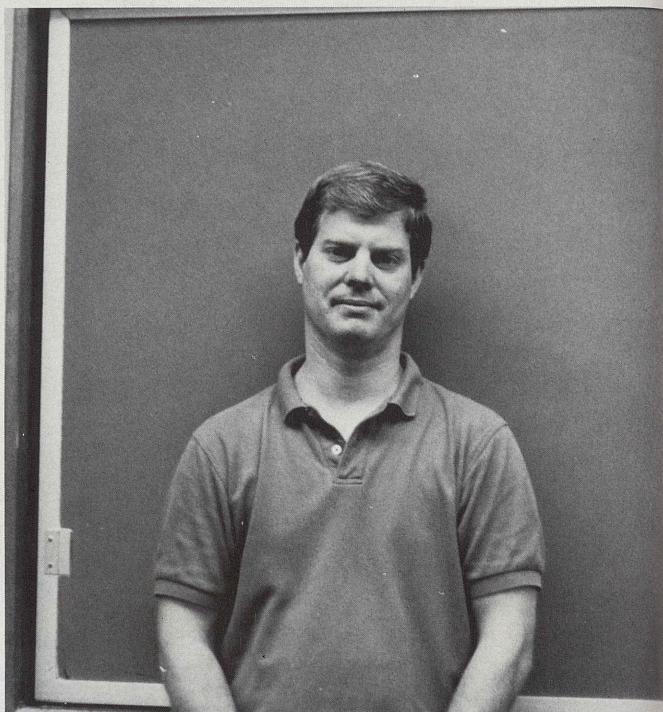

---

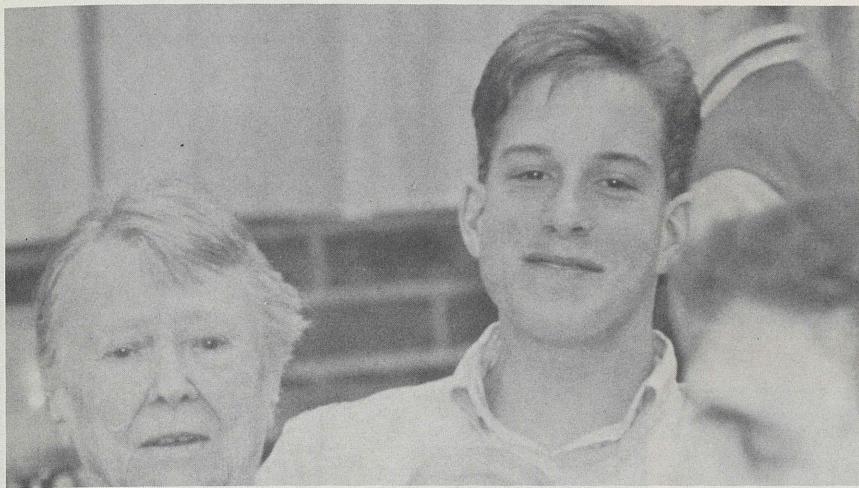

Varsity Quiz Bowl was under the direction of Mr. Vernon LaCour this year.

The team competed in the WYES Channel 12 Quiz Bowl competition but was defeated in the first round by an excellent Thibideaux High School.

The Varsity Quiz Bowl team also spent many hours practicing for the Gulf Coast competition which took place twice a month. Teams from schools all over the Coast competed in the Gulf Coast tournament. Among the teams which were defeated by the team were Bay High, Pass High, Hancock North Central, and St. Johns.

The starting team included: Captain Chris Kern, Eric Hill, Philip Montelaro, Anthony Sperance, and alternate Scott Niolet. Many people tried out for the team and everyone involved enjoyed themselves.

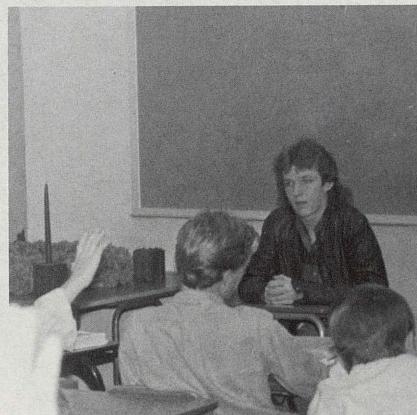

## SOCIAL SERVICES

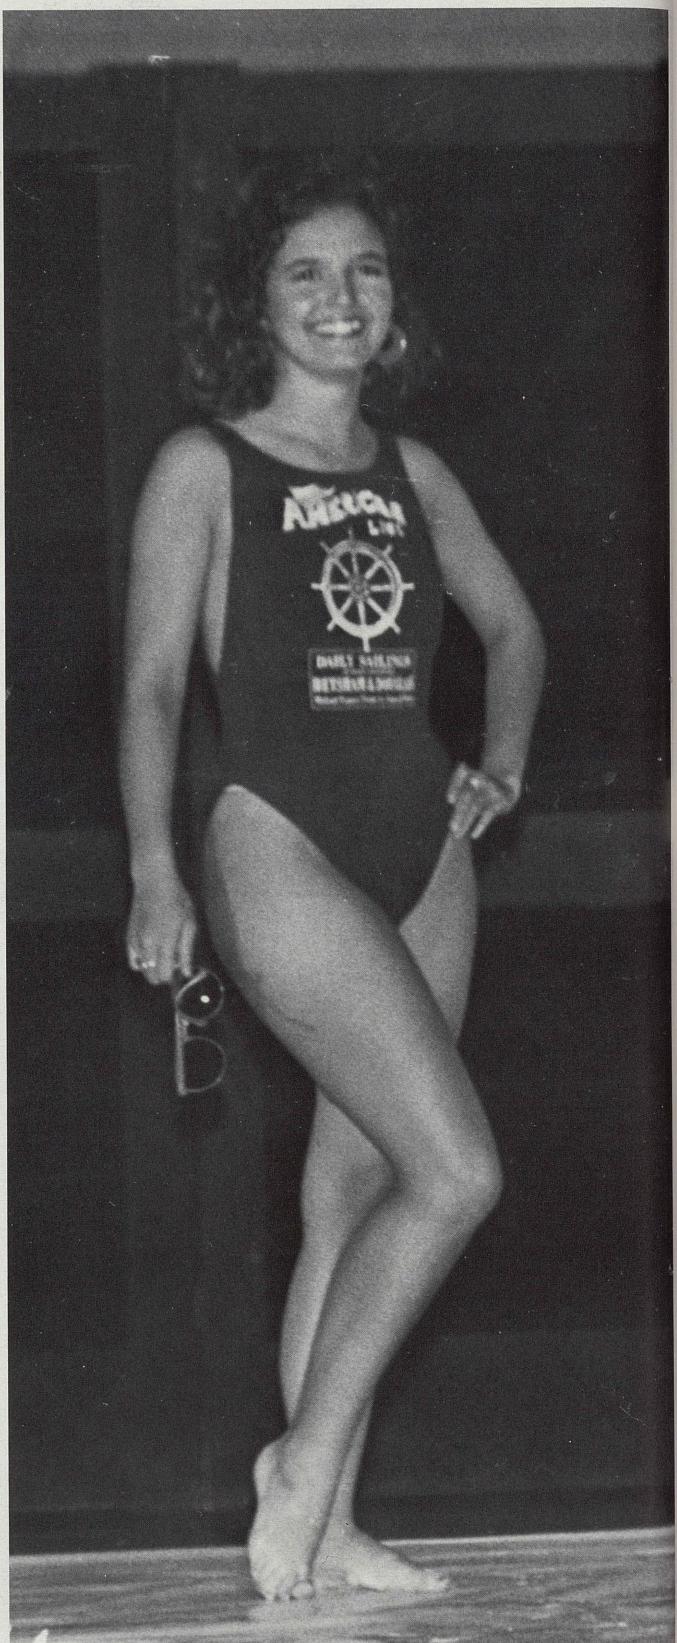

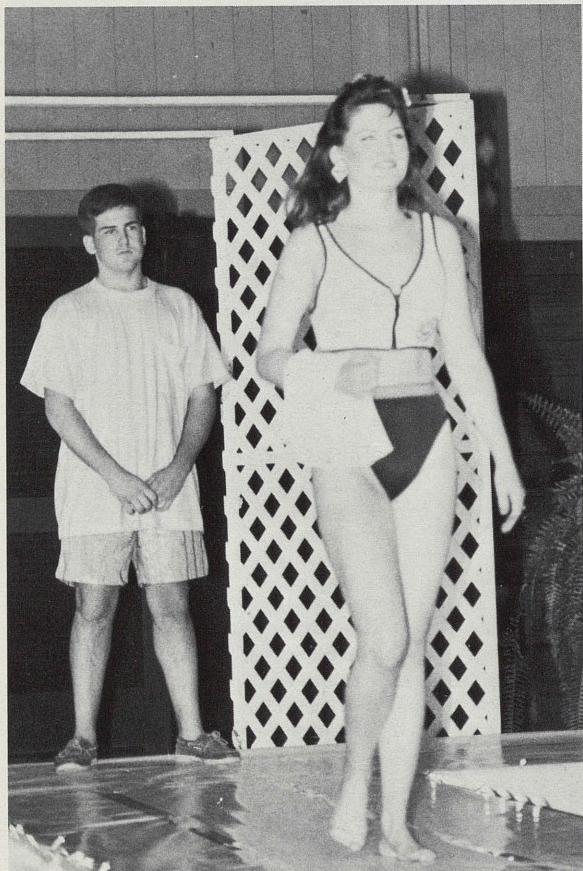

Social services is one way in which we at St. Stanislaus reach out into the community. Our social services program is a group of several different projects. Project Do, which was the brainchild of Br. Canisius many years ago, is a way in which students reach out to the elderly at Hotel Reed Home for the Aged, the children at the Hancock County Child Development Center, and the kindergarten at Bay Catholic Elementary.

The social services programs here at St. Stanislaus help to enrich the young men who choose to participate in the group's activities. The programs teach them patience in order to cope with some of the problems that surface at the nursing home or the kindergarten. It teaches them kindness toward others in their time of need or to just be a good listener when the time is right.

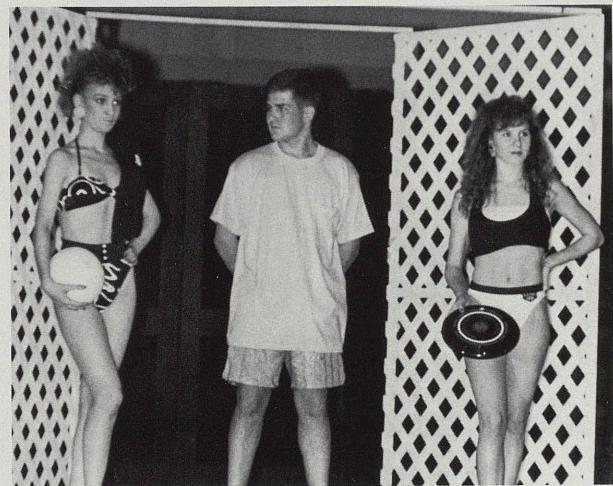

# FASHION SHOW —

On Tuesday, March 14, a spring style show was presented in the Brother Peter Memorial Gym. This fashion show was sponsored by the SSC Key Club which was joined by the Princess Shoppe Teen Board in its presentation. Men's fashions were provided by Anthony's Men's Wear.

*PICTURED ON THIS AND OPPOSITE PAGE* are members of the Princess Shoppe Teen Board and SSC Key Club member Mickey Lagasse who gave up their valuable time in order to model fashions for the Key Club sponsored show.

# STUDENT COUNCIL

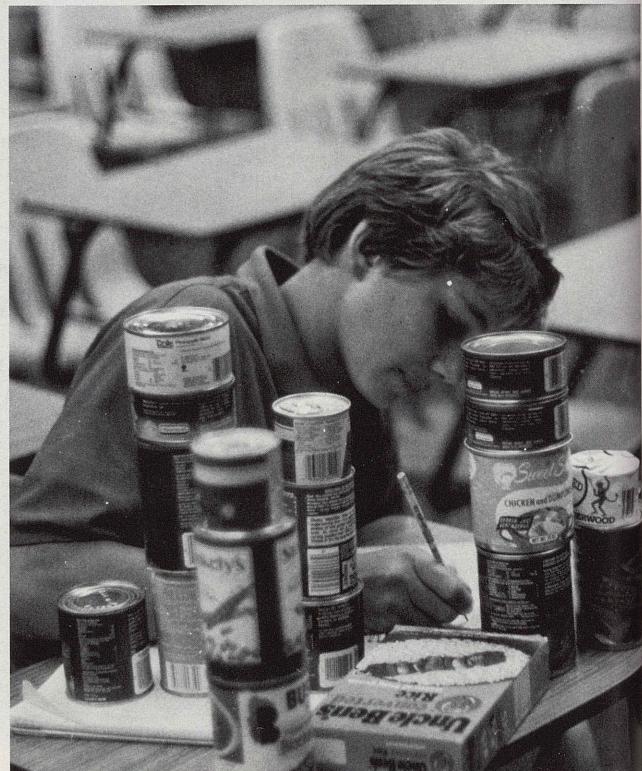

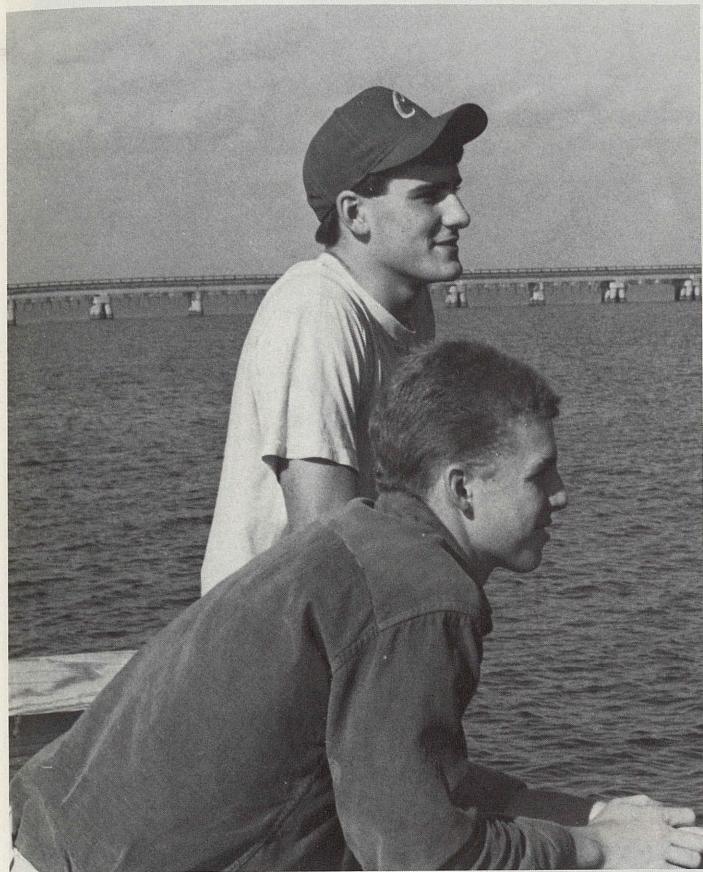

The Student Council is the governing body of the school. It represents the students when changes and problems occur.

The Council once again provided many activities for students throughout the year. Students were invited to participate in activities such as a fishing rodeo, dances, pep-rallies, homecoming festivities, Thanksgiving basket donations to area families, the Hall of Fame Rally, the Lenten Giving Fund (which raised over \$3,000 dollars), and many other special activities.

President of the Student Council for the 1988-89 term was John Baxter. Other officers included Chad Mathews, first vice-president; Noah Denson, second vice-president; Greg Schruff, secretary; and Scott Niolet, treasurer.

At the end of the year, the Student Council wished next year's officers good luck, and thanked their moderator, Mr. Bill Jennings for his help and guidance.

# STUDENT MASSES

St. Stanislaus is made up of many traditions. The most lasting and vibrant tradition is in its Christian faith. A faith in Jesus Christ must be celebrated and shared in the community. The student body masses have always been an opportunity to highlight the students' talents, spirit, and spiritual growth. On a monthly basis, the Resource Center was transformed into an area for celebration and worship. Various classes volunteered to lead the different masses. Students showed leadership through their readings, songs, banners, and their prayerful example. Mr. Tom Ackerman, Mr. Tom Eldringhoff, and Brother James were the primary faculty coordinators for the masses.

*OPPOSITE PAGE TOP:* Fr. Jerome Ledoux helped to spread the message of God in his own special way. *OPPOSITE PAGE BOTTOM:* The seniors enjoyed many student masses this year and usually participated a great deal in them. *TOP:* Br. # YEARBOOK

---

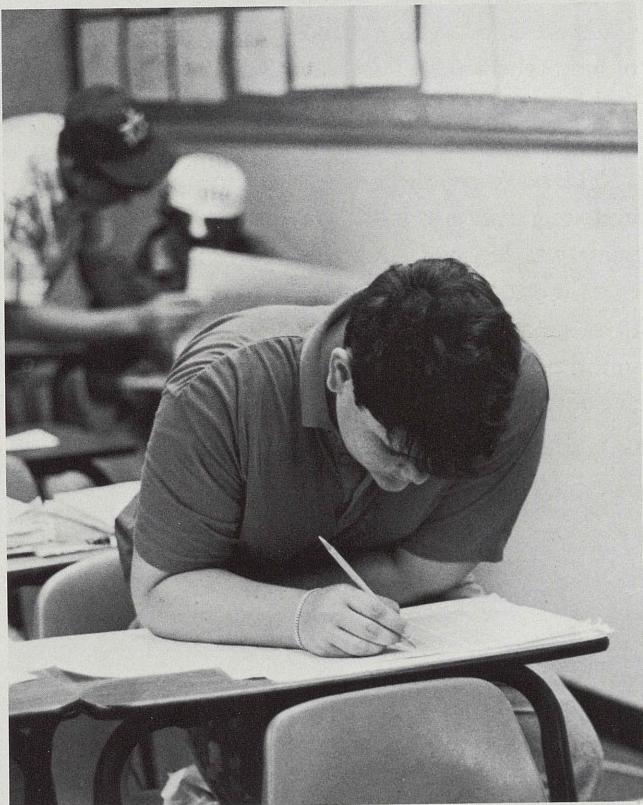

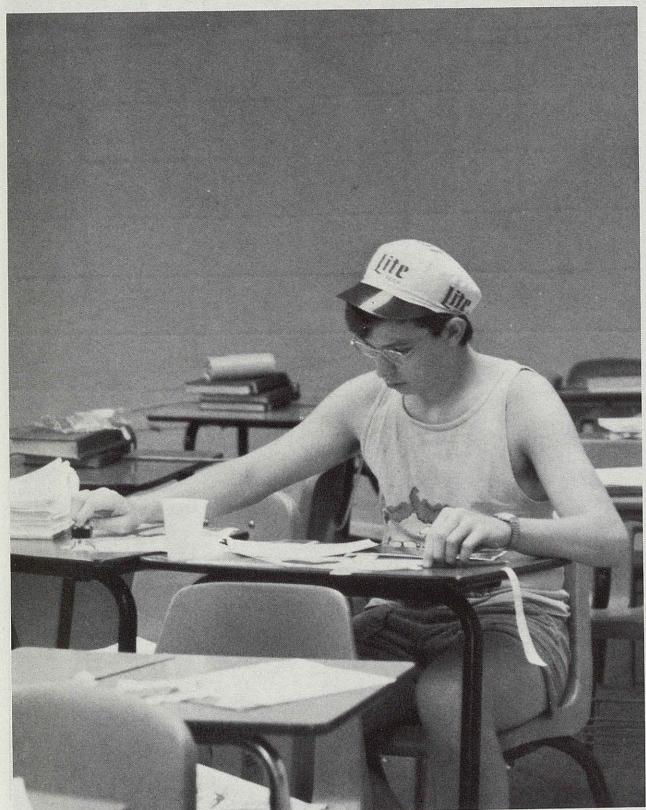

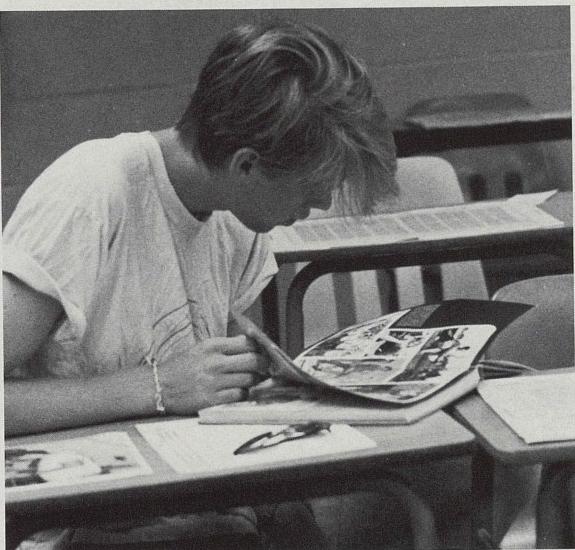

The staff of Reflections '89 has attempted to maintain and improve upon the high standards and quality of years past. Under the direction of Editor-in-Chief Chris Kern, this year's edition was compiled by a staff of hard-working and dedicated young men. Editors for Reflections '89 were Jimmy Watts, Cliff Ling, Chris Kern, and Stanley LeBlanc.

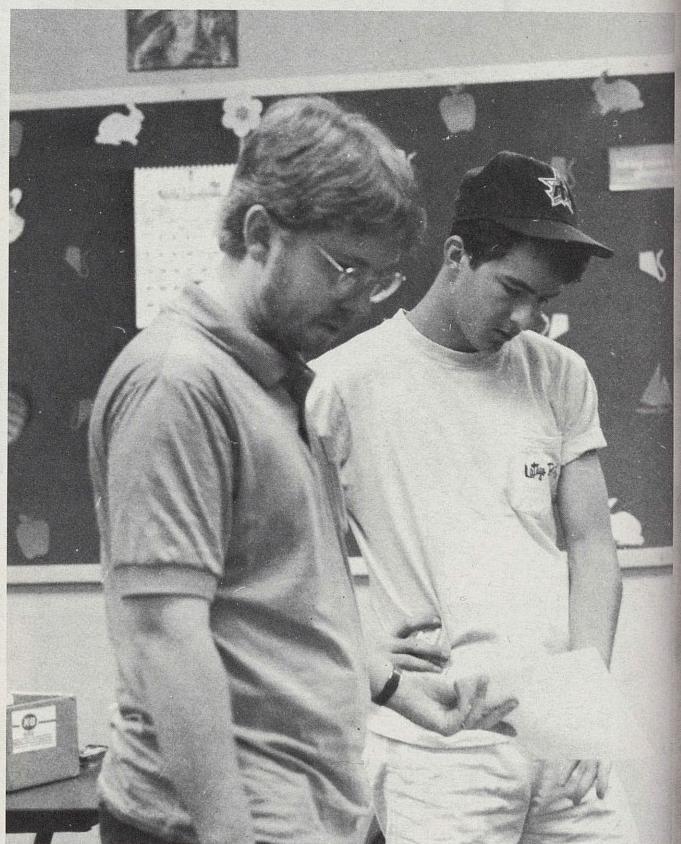

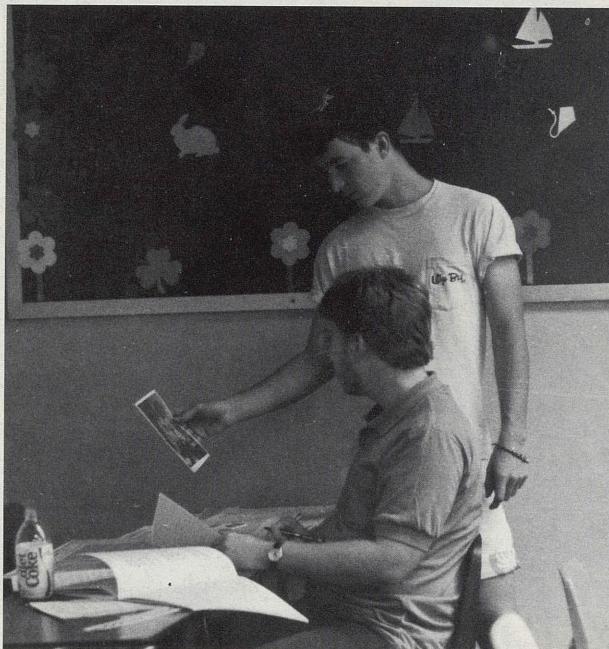

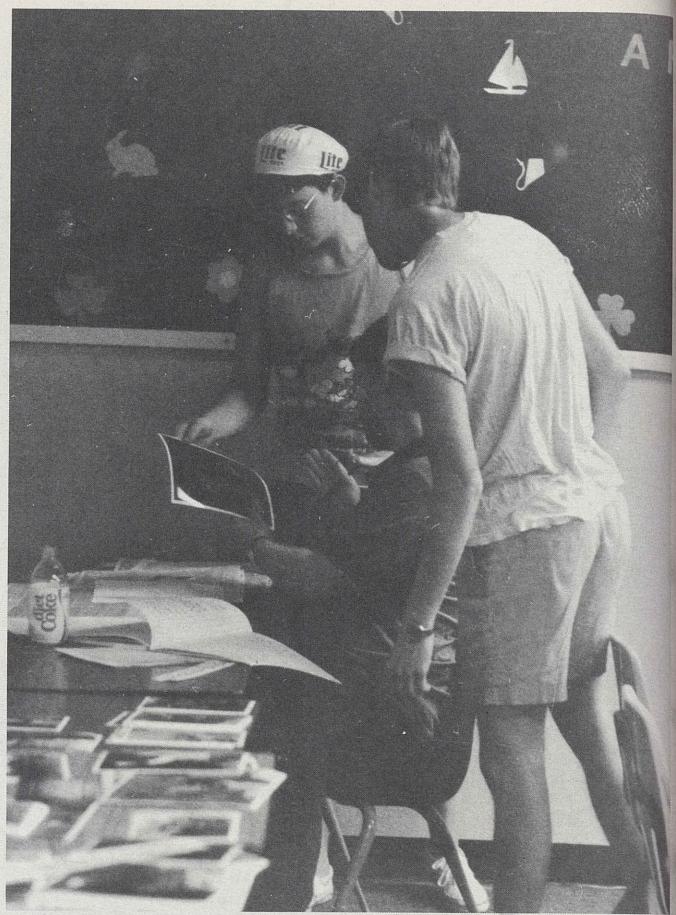

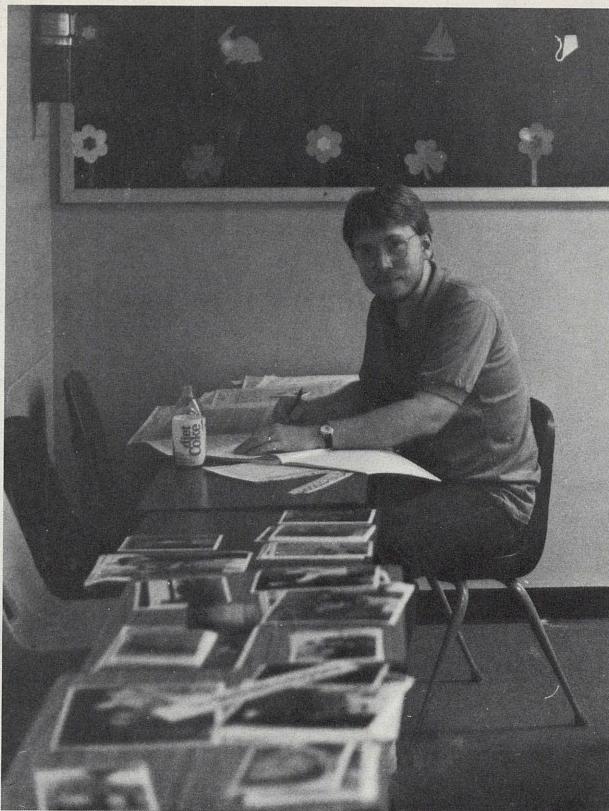

Yearbook production is oftentimes a tedious, menial, and thankless job. However, the difficulty of the work was lessened somewhat by the knowledge that the product we were producing would be of high quality and of the best of standards. Many times we found production of this book to be a challenge as well as a lot of fun. We have attempted to cover as wide of a range of school activities and individuals as possible.

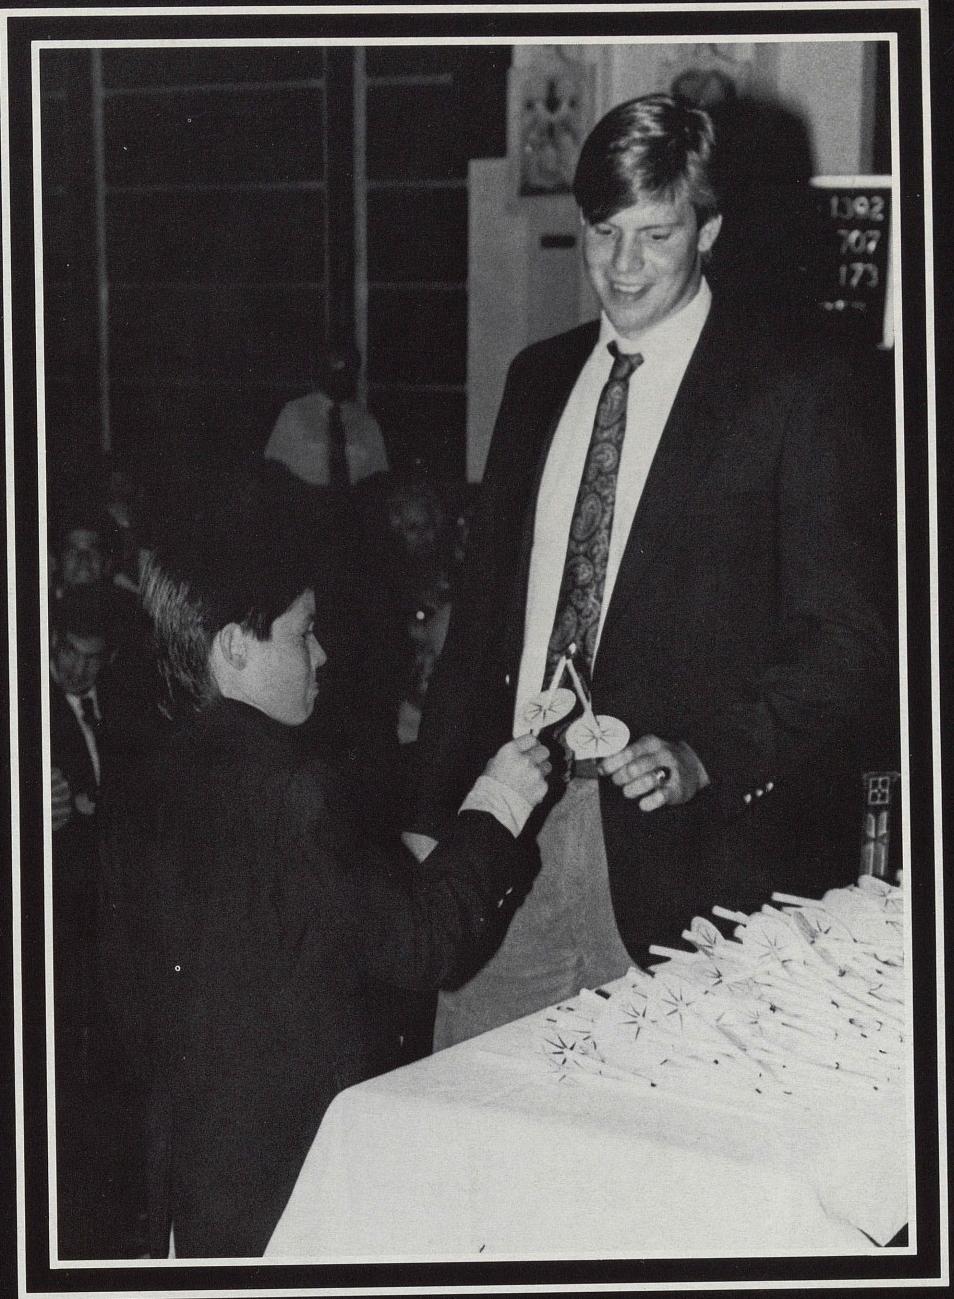

**OPPOSITE PAGE TOP:** The Reflections' staff '88-'89 who lent their time and talents during the summer months were Chris Kern, Stanley LeBlanc, Jimmy Watts, Mansel Bell, Geoffrey Kohl, and not pictured Cliff Ling, Clifton Pope, and George Holder. **OPPOSITE PAGE BOTTOM:** The Reflections' moderator for the '88-'89 edition was Mr. Will Clingon. **LEFT:** Editor-in-Chief Chris Kern chooses prints for use in the yearbook. **BELOW:** Cliff Ling consults a past yearbook for ideas to use on a layout he is constructing. **BOTTOM LEFT:** Jimmy Watts, Sports Editor, works diligently on the 34 pages of the sports section. **BOTTOM RIGHT:** Clifton Pope works on a rough draft for the Features section.

## SPECIAL MOMENTS

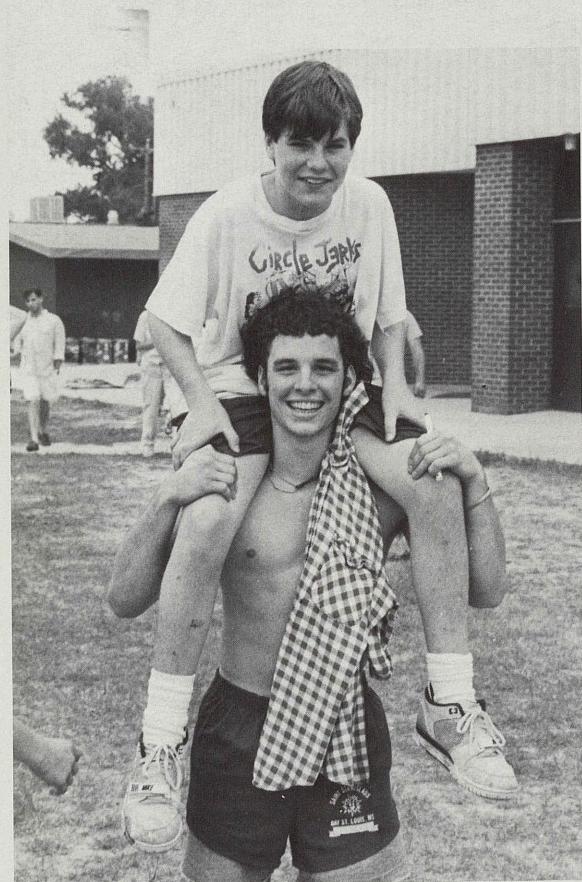

# BIG BROTHER/LITTLE BROTHER

In the beginning of the 1988-89 school year, everything seemed to be the same old school trivia. Then the time came for Big Brother/Little Brother ceremony, when seniors received sixth and seventh graders as "little brothers." The purpose of this program is to help "little brothers" make it through the rough time of adjusting to life at SSC by giving them a "big brother" to go to with problems, questions, or just to chat.

Later in the year, April 14, there was a field day for both big and little brothers. Featured were games such as volleyball, egg toss, tennis and tug-o-war. Everybody had a good time. This was a chance for big brothers to relax from school and spend time with their little brothers. The activities began at noon and ended midafternoon.

This was a great experience to relive the young in all of us. Good luck to those little brothers who will also be big brothers one day.

# RING MASS —

On Thursday, September 1, 1988, the students representing the 135th graduating class of St. Stanislaus High School in Bay St. Louis, Mississippi, received their senior class rings at a special mass and ceremony held in Our Lady of the Gulf Catholic Church. Brother Albert Guarino, school chaplain, was the celebrant of the mass; and he was assisted by senior faculty members Mr. Mick Quinlan, Brother Joseph Donovan, Sister Michel, Mrs. Dee Cichon, Brother John Hotstream and James Thriffiley. Mr. Tom Ackerman, Mr. Tom Eldringhoff and Brother James Burns were in charge of the music for the mass. The ring ceremony was attended by parents and friends of the seniors and faculty members of St. Stanislaus.

Brother William Leimbach, master of ceremonies, welcomed the seniors and their guests. Brother Paul Montero, principal of St. Stanislaus, distributed the rings to the seniors. He was assisted by Brother Noel Lemmon, dean of students, and Dr. Michael Ryan, academic assistant principal. In a short address to the seniors, Brother Paul Montero stressed the significance of wearing the senior ring as a symbol and the importance of maintaining the rich tradition of St. Stanislaus. Following the ceremony, a reception for the seniors and their guests was held in the student union on the St. Stanislaus campus. Mrs. Delores Richmond and Mrs. Dee Cichon, along with members of the St. Stanislaus Key Club, served at the reception.

# HALL OF FAME

---

Four prominent St. Stanislaus alumni were inducted into the school's Hall of Fame at ceremonies on the campus on February 25. The inductees were L. A. Koenenn Sr., Joseph Killeen Jr., C. A. Sporl Jr., and Brother Lee Barker, S.C.

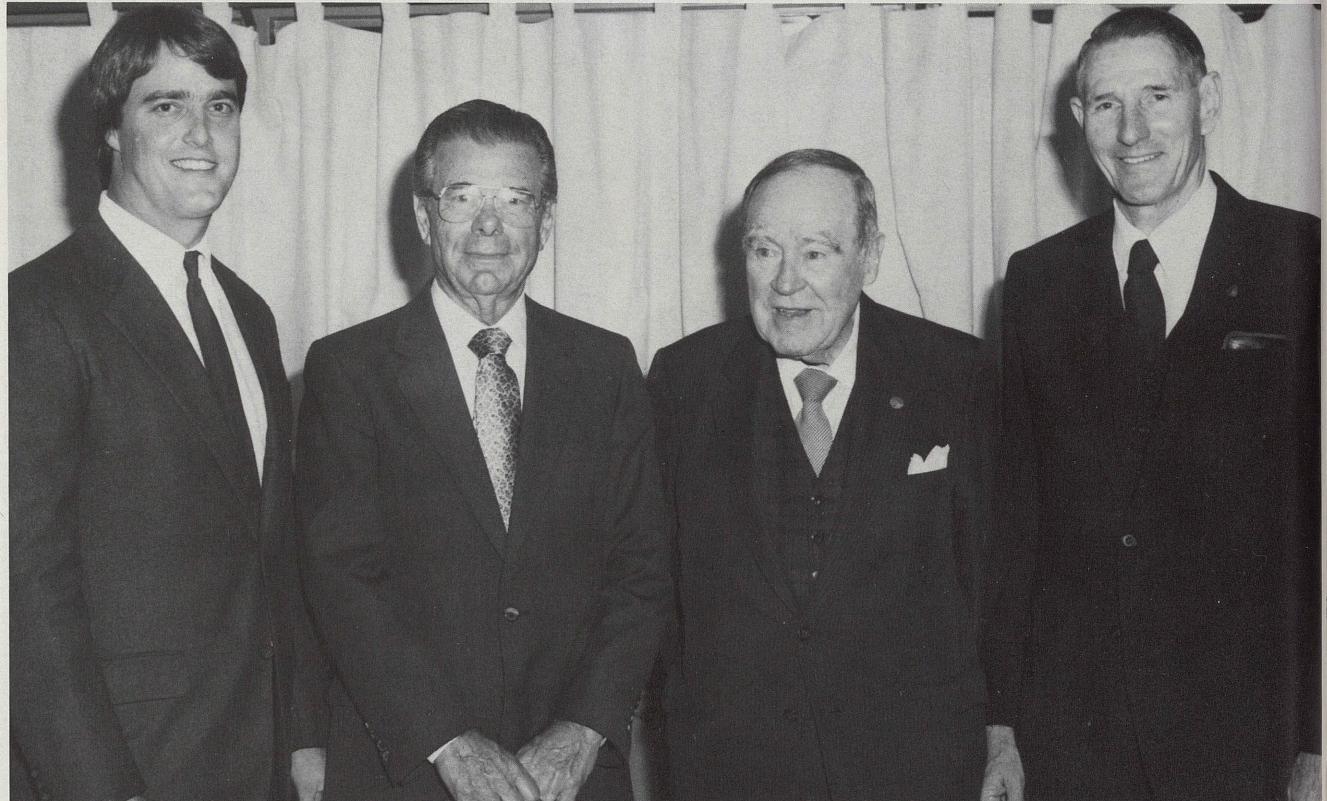

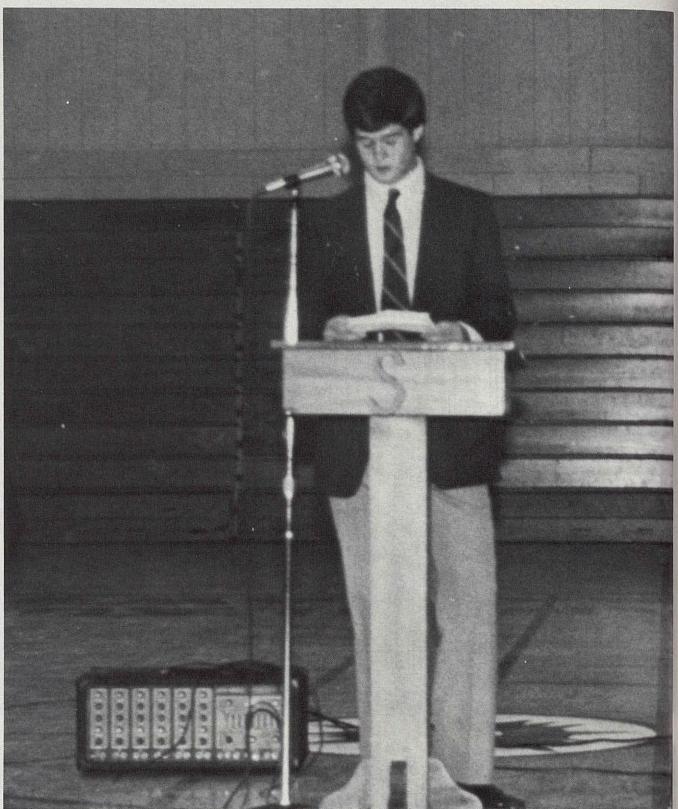

L. A. Koenenn, deceased, a native of Kiln, graduated from St. Stanislaus in 1915 as salutatorian of his class. He retired in 1948 as president of United Cash, a wholesale grocery in Gulfport.

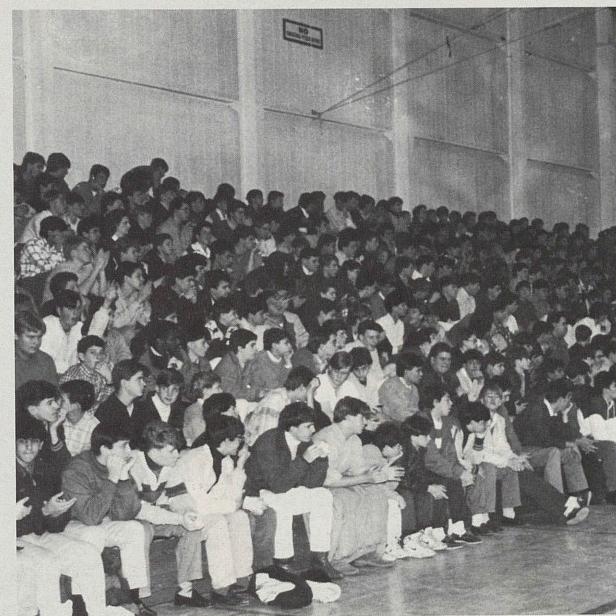

Joseph "Buzzy" Killeen, deceased, was born in New Orleans and graduated from St. Stanislaus in 1944. He attended Tulane University and served in the Merchant Marine during World War II. He was president of Fitzgerald Advertising Agency in New Orleans from 1968 until his death in 1986.

C. A. "Junior" Sporl graduated from St. Stanislaus in 1923. In 1928, he received a law degree from the University of Notre Dame. He entered the insurance business; and in 1936, he was elected president of C. A. Sporl and Co., Inc.

Brother Lee Barker is a native of Thibodaux, La. He entered the Brothers of the Sacred Heart in September, 1945. He has taught in schools in New York, New Jersey, Alabama, Louisiana, and Mississippi. He was principal of St. Aloysius High School in New Orleans; and he served as principal of St. Stanislaus from 1966-76. In 1988, he was appointed to the position of director of resident students at St. Stanislaus, and he is presently living in Bay St. Louis.

A special school assembly was held February 24 during which the inductees were presented to the students of St. Stanislaus. The highlight of the program was a speech by Brother Lee who pointed out to the assembled student body that they too, one day, might find themselves being inducted into the Stanislaus Hall of Fame.

# SENIOR RETREAT

---

Senior Retreat, like many other things, is a tradition at St. Stanislaus. This year members of the class of '89 took this opportunity to relax, clear their heads, express personal feelings about each other and their teachers, reflect on the very important decisions they were to make in the coming years, and to reflect upon their years at St. Stanislaus. Almost everyone who participated said that it was a very enjoyable, emotional, and spiritual time, full of singing, playing, reflecting, discussing, and praying. Many felt that it was a real turning point in their attitudes about each other, their teachers, their education, their faith, and their lives.

Seniors enjoyed the experiences of this year's retreat: from the bus ride to the retreat center, to the games of frisbee, to the delicious shrimp dinners, to the time spent with their friends, and to the time spent alone.

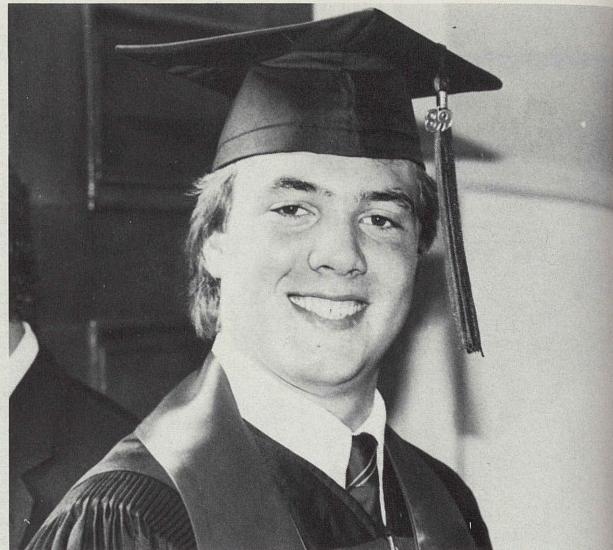

# GRADUATION

The commencement exercises of the 135th graduating class of St. Stanislaus High School took place on May 20 at Our Lady of the Gulf Church. Brother Paul Montero, principal, conferred the diplomas upon the 86 members of the graduating class.

Michael Haas of Slidell, a St. Stanislaus graduate of 1914, was recognized in a special way for the 75th anniversary of his graduation. Haas is the oldest living alumnus of St. Stanislaus.

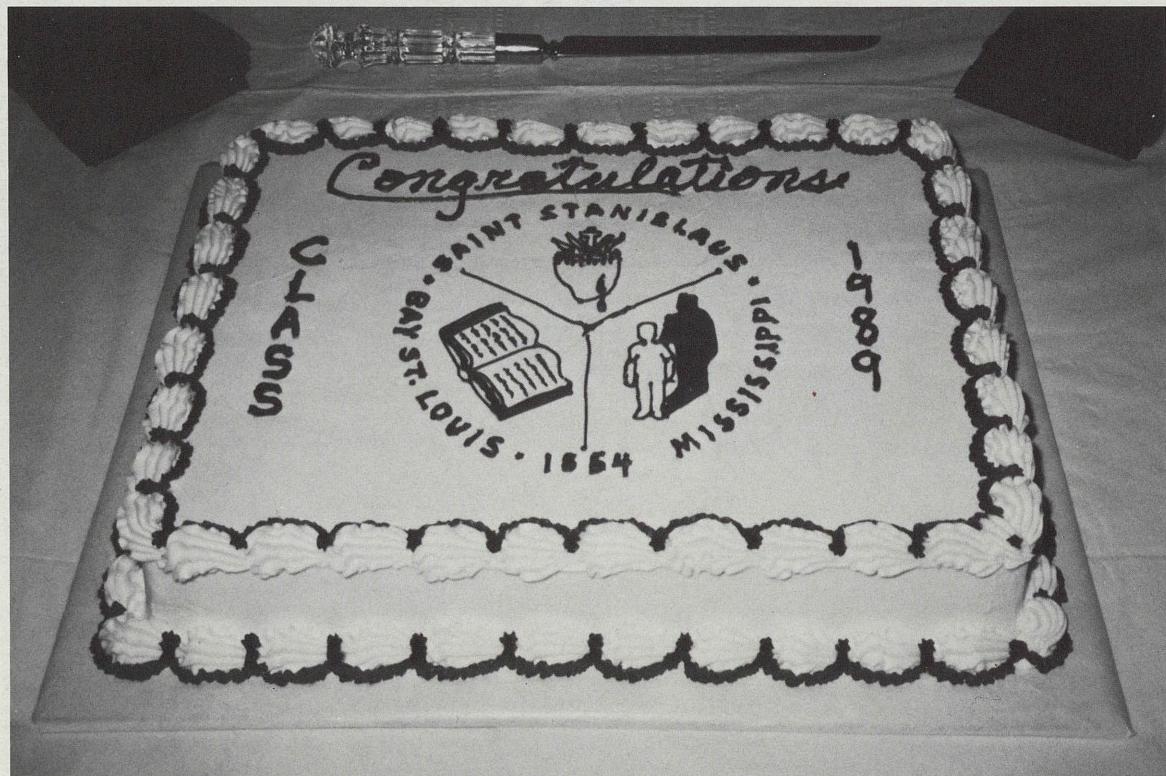

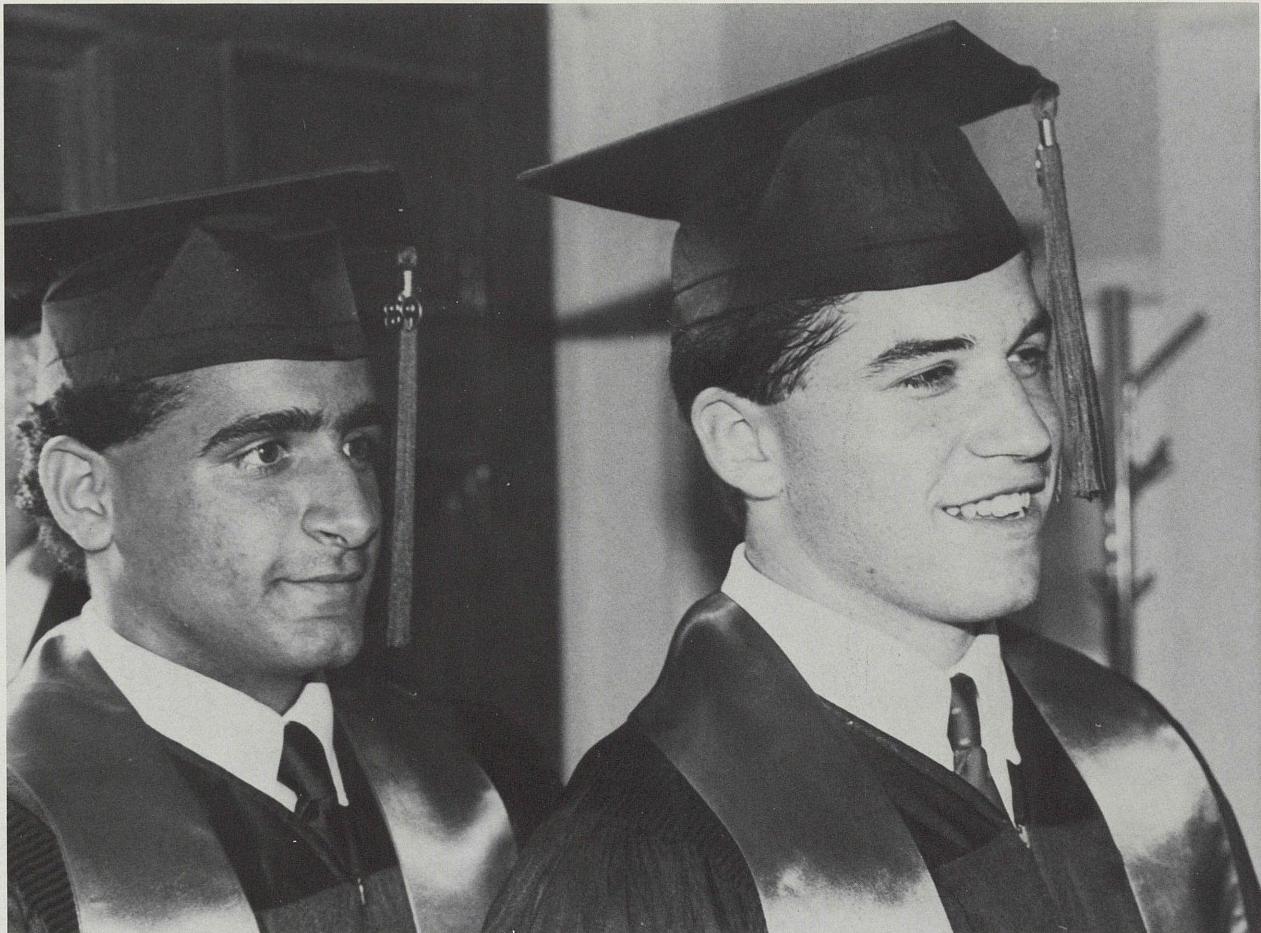

Brother Paul Montero presented awards to the following graduating seniors: Ben Schepens, valedictorian, excellence in mathematics and excellence in science; James Benigno, salutatorian, John Philip Sousa Band Award, and Character Cup for a day student.

A reception for the seniors and their guests was held on the school campus immediately following the graduation. The reception was sponsored by the parents of the junior class at St. Stanislaus with Mr. and Mrs. Gary Pontieux serving as chairmen.

# GUEST SPEAKERS

---

St. Stanislaus once again kept up its fine tradition of bringing in guest speakers from around the area to speak to the student body. Whether they spoke to the entire student body or to just a select group of individuals, their talks were informative and helped those who heard them to attain a better understanding of the topic the visitor was talking about.

Speakers addressed the students on subjects ranging from religion to politics to health to society.

# VARSITY FOOTBALL

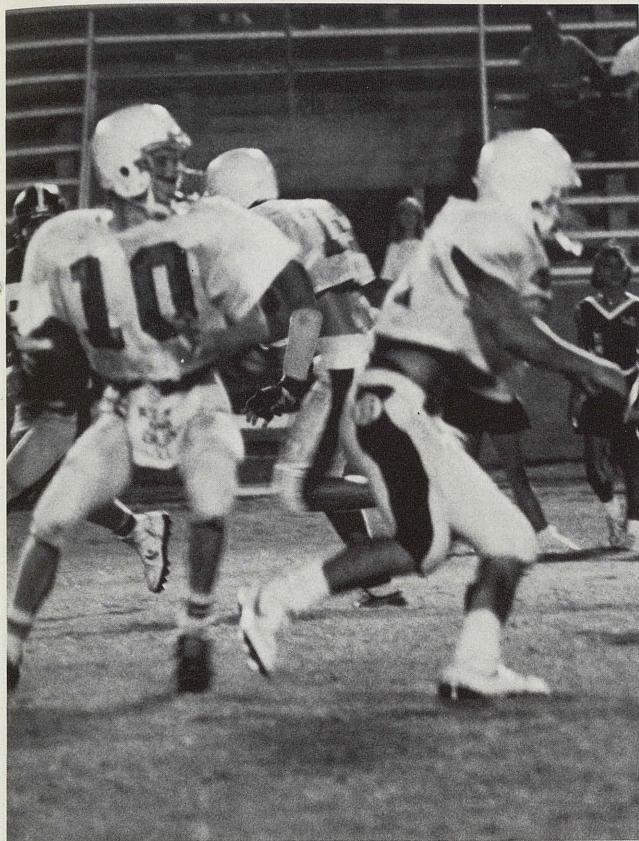

The 1988-89 Rock-A-Chaw Varsity Football Team ended their season with a 4-5 record. Simply stating this record would tell very little of the determination and hard work put in by the Rocks and their coaches. It would also tell very little of the hard fought games, lost in the final moments by only a point or two. While there were a few disappointments during the season, there were also many moments of glorious victory! For example, the season was capped off by two very sweet victories: one over Pass High and the other, the sweetest success of the season, was over Bay High.

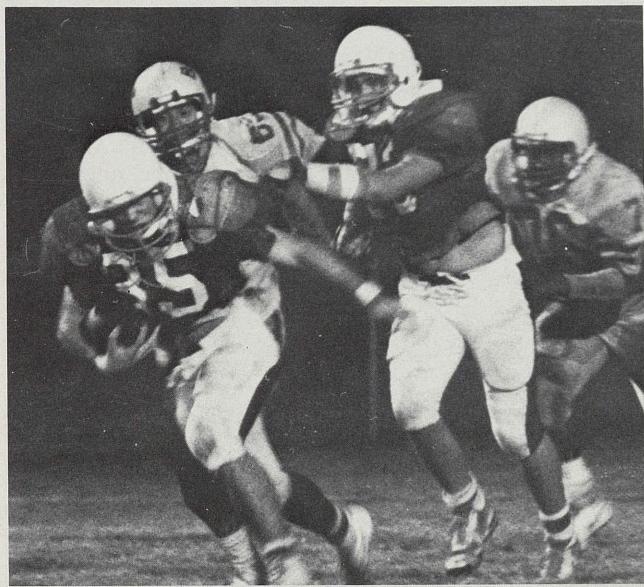

Some of the stars of the '88-'89 team were senior Scott Heitzmann and junior Shannon Garrett, who both led the schools in the Gulf Coast area in touchdown receptions. Senior tailback Gino Ascani led the Rock-A-Chaws in scoring with 54 points for the season. Gino was also awarded the coveted Mr. Rock-A-Chaw Award for his hard work, talent, and dedication to the team.

Senior Defensive End Craig Sweeney led the defensive attack along with Tracy Koller, Dean Kelly, and John Baxter. Other senior players were Johnathan Morrill, Justin Homes, Terry Holland, Jeff Battle, Hank Winters, Jeff Bates, Scott Necaise, Vince Bradley, and Mike Vinci.

## Rock Basketball Team Finishes 19-9

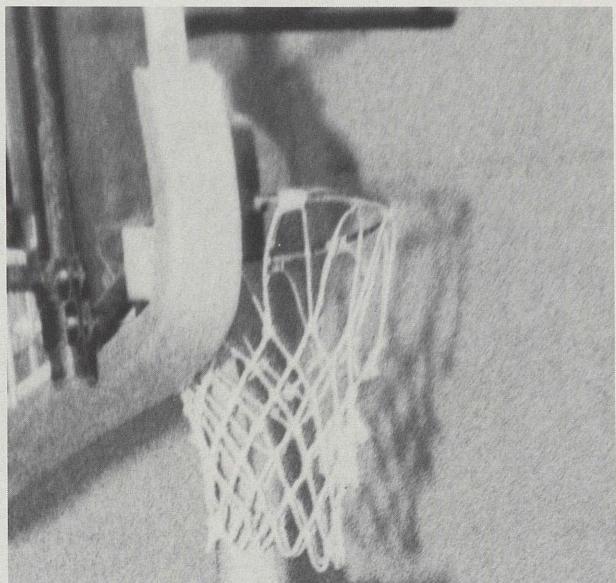

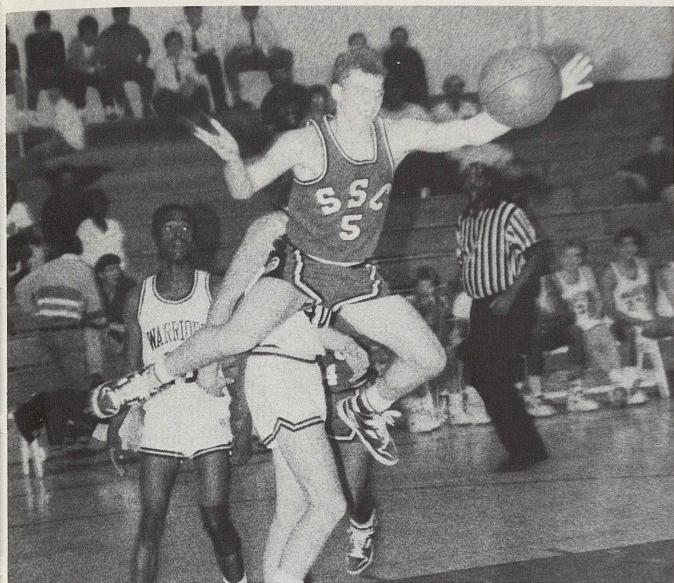

*Way to go, Rocks!*

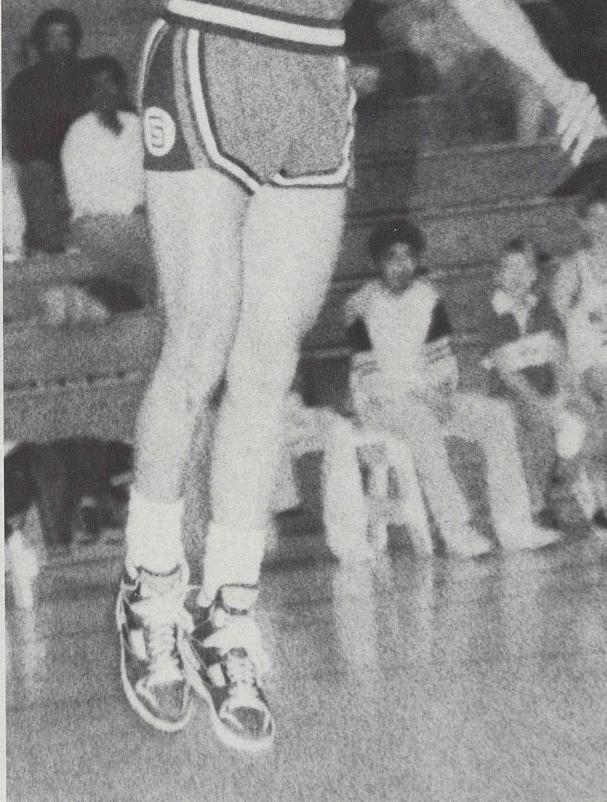

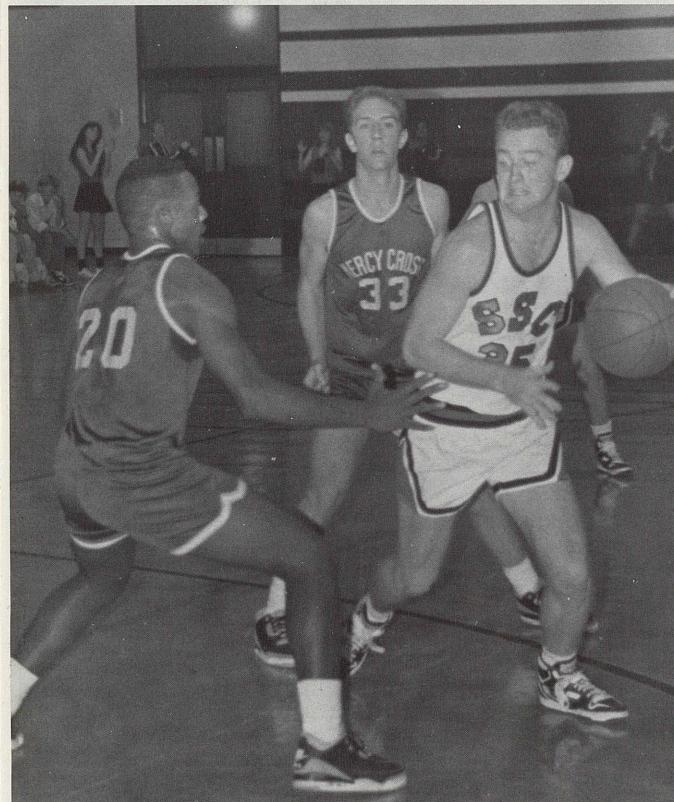

The Rock-A-Chaw varsity basketball team finished its regular season play with a 19-9 record. This was the team's best record since 1981.

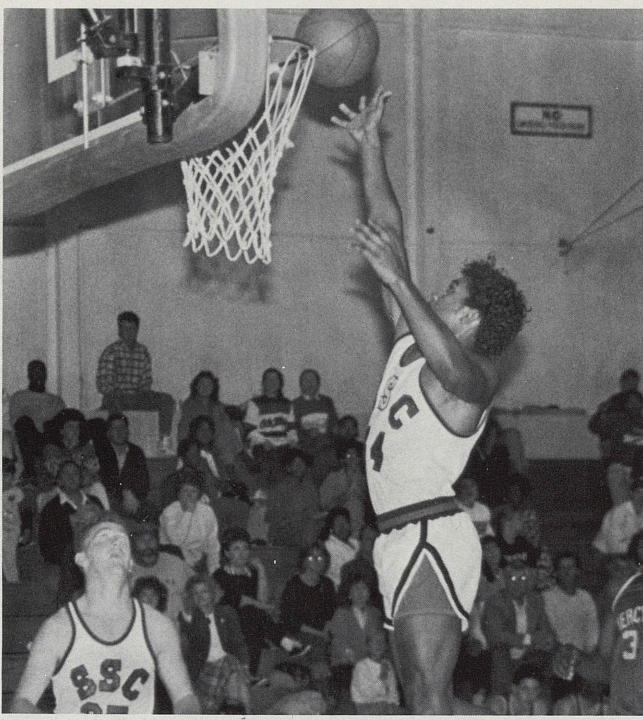

Three Rock players were named to All-District as a result of their consistently high performances throughout the season. They are Shannon Garrett, Greg Schruff, and Chad Matthews. Garrett, a junior, was named Most Valuable Defensive Player. Schruff, also a junior, is expected to lead the team next year while Matthews, a senior, graduated in the spring.

Head Coach Chuck Genin and his assistant Coach Jerry Spell did an excellent job with the Rocks this year. Both coaches, at the end of the season, expressed their appreciation for the outstanding support the team received from their fans during the 1988-89 play.

They battled hard through many overtime contests in search of a playoff berth; yet they were denied by a tough opponent, Long Beach.

The team's loyal fans cheered them on through thick and thin.

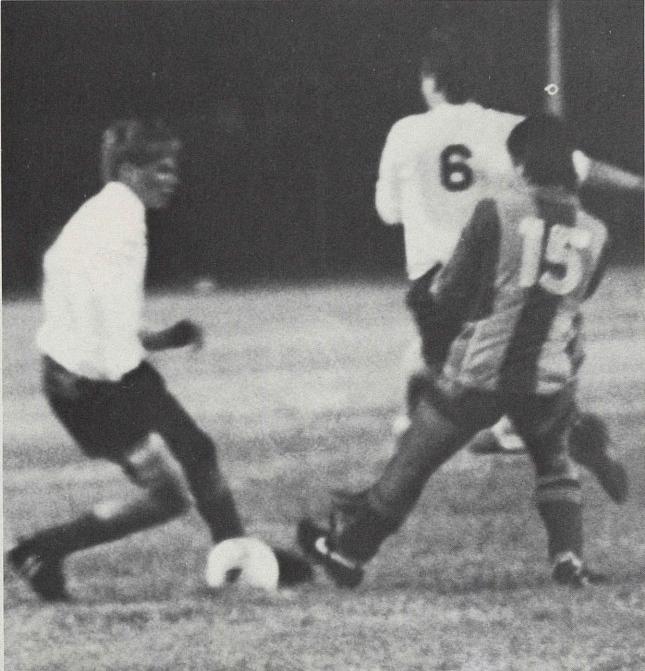

The Rock-a-Chaw Varsity Soccer team includes: Carl Bolian, Matt Richmond, Scott Necaise, Noah Denson, Jason Reitmeyer, Todd Blackwell, Alan Schott, Terry LeBourgeois, Richard Gleber, Trey Kidd, Ross Bonura, Troy Pepperman, Brian Brooks, Travis Thomas, David Eckert, Jesse Hayes and Kevin Jacobi.

## Rocks Have Spectacular '88-'89 Season

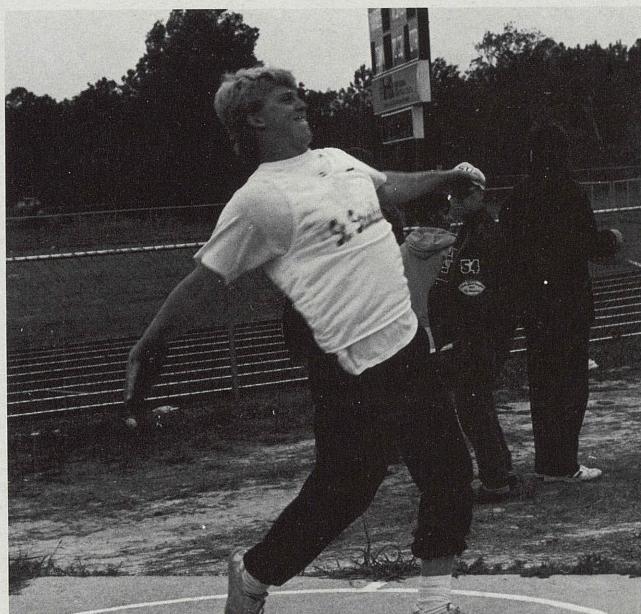

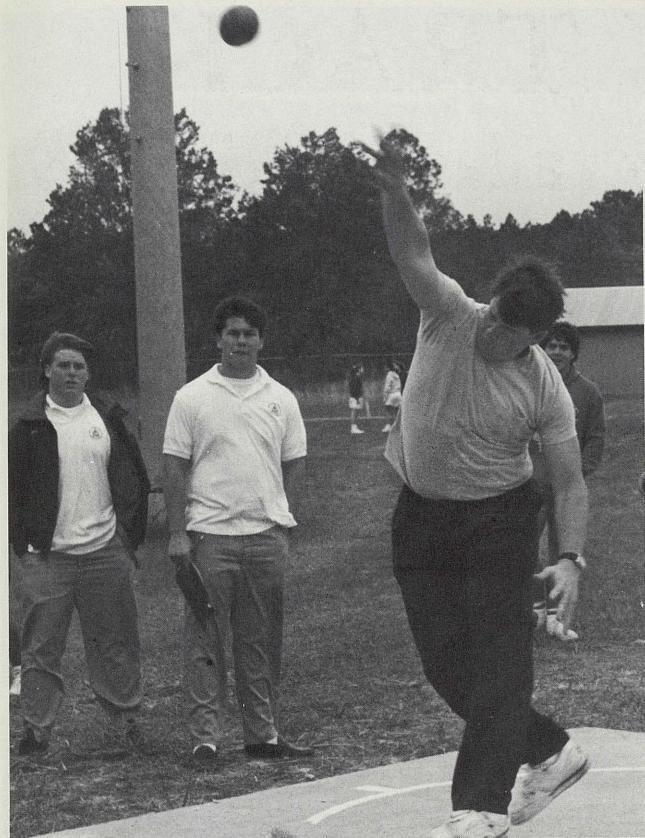

Coach Larry Ramsey successfully coached his troops to a second consecutive District 4A title, soundly defeating the other five teams in the district.

Several Rock-A-Chaws had outstanding seasons, as senior Jeff Battle was crowned the state champion in the discus with a toss of 137 ft. 8 in. Another district champion, Johnny LaBruzzi, finished second in the state in the pole vault, with a best vault of 11 ft. 4 in. Brian Brooks was named "Most Outstanding Runner" in two individual meets this year and was the district 4A champ for the second consecutive year in the 1,600 and 3,200 meter run.

Assisting Coach Ramsey was Coach Andy Kivlan, who coached the distance runners and worked with the field events. Ramsey coached the sprinters and worked with field event personnel.

# VARSITY TENNIS

## SSC Tennis Team Finishes Season at 8-5

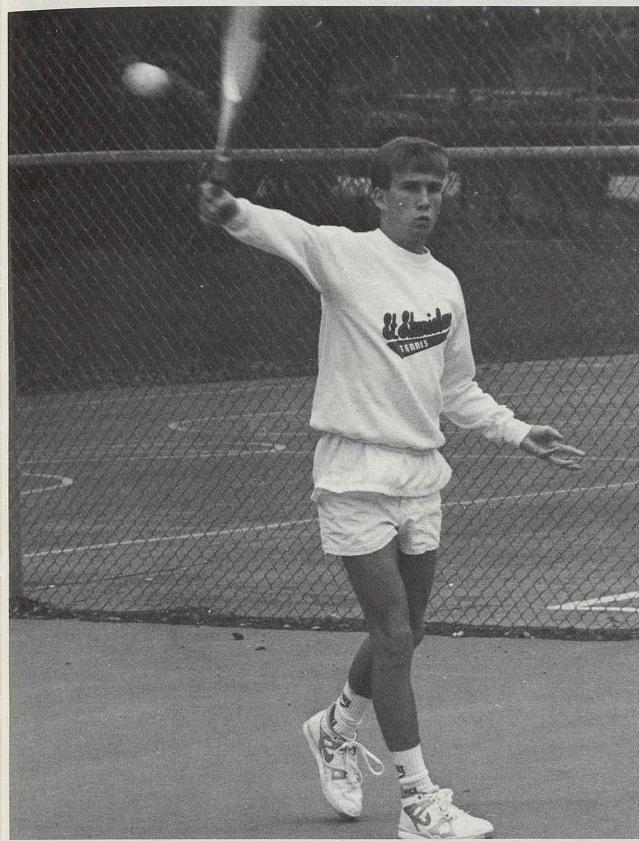

The 1989 SSC/OLA Varsity Tennis Team completed another tough season with a final tally of eight wins and five losses under head coach Myron Labat and assistant coach Bill Conery. The Rocks undertook such 5A powerhouses as Gulfport, Laurel and Hattiesburg.

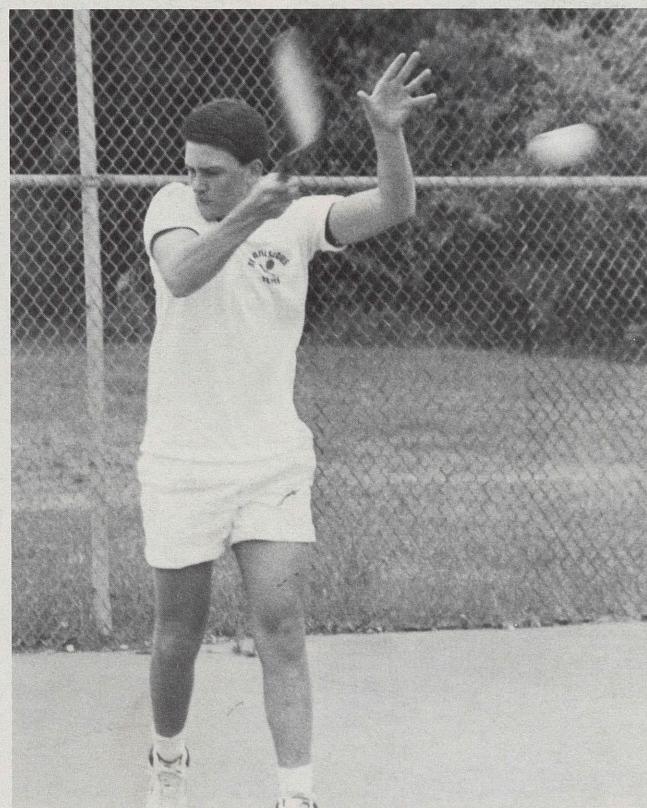

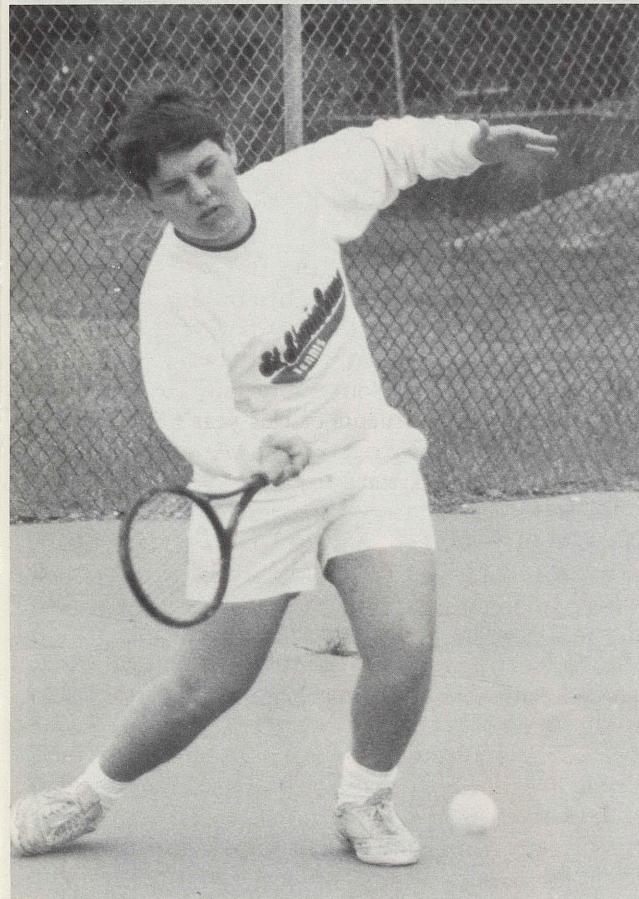

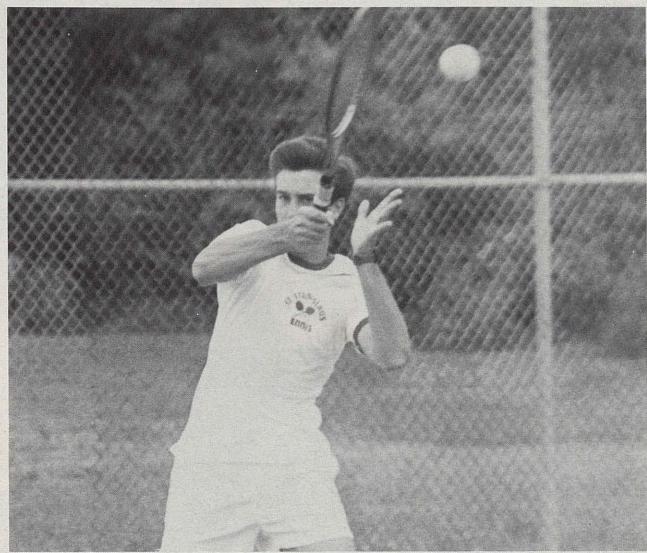

Some of the achievements of this year's SSC Tennis Team include: the District 8 AAAA title in Boy's doubles and being in the second round in the Mississippi State Tournament.

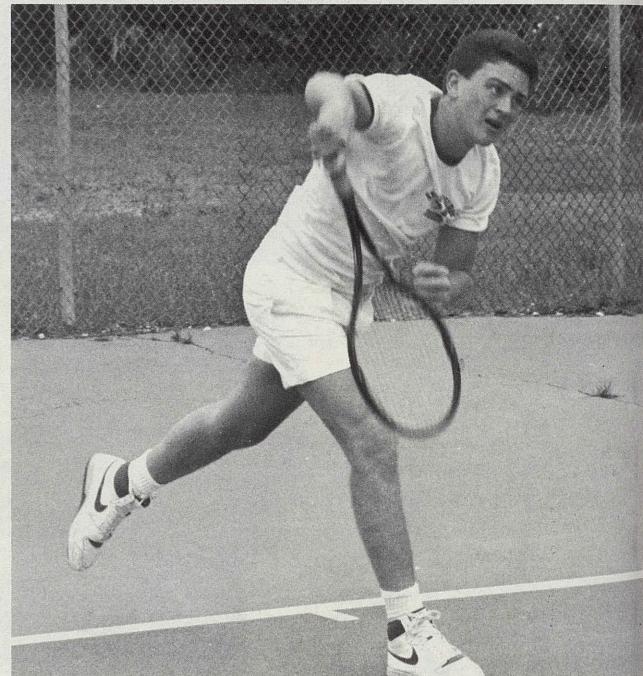

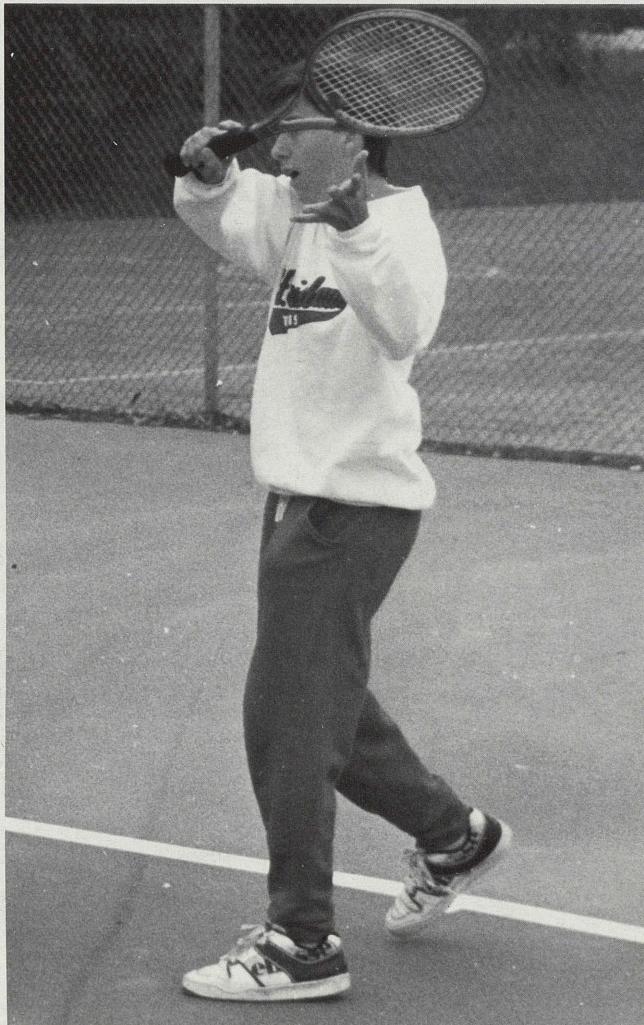

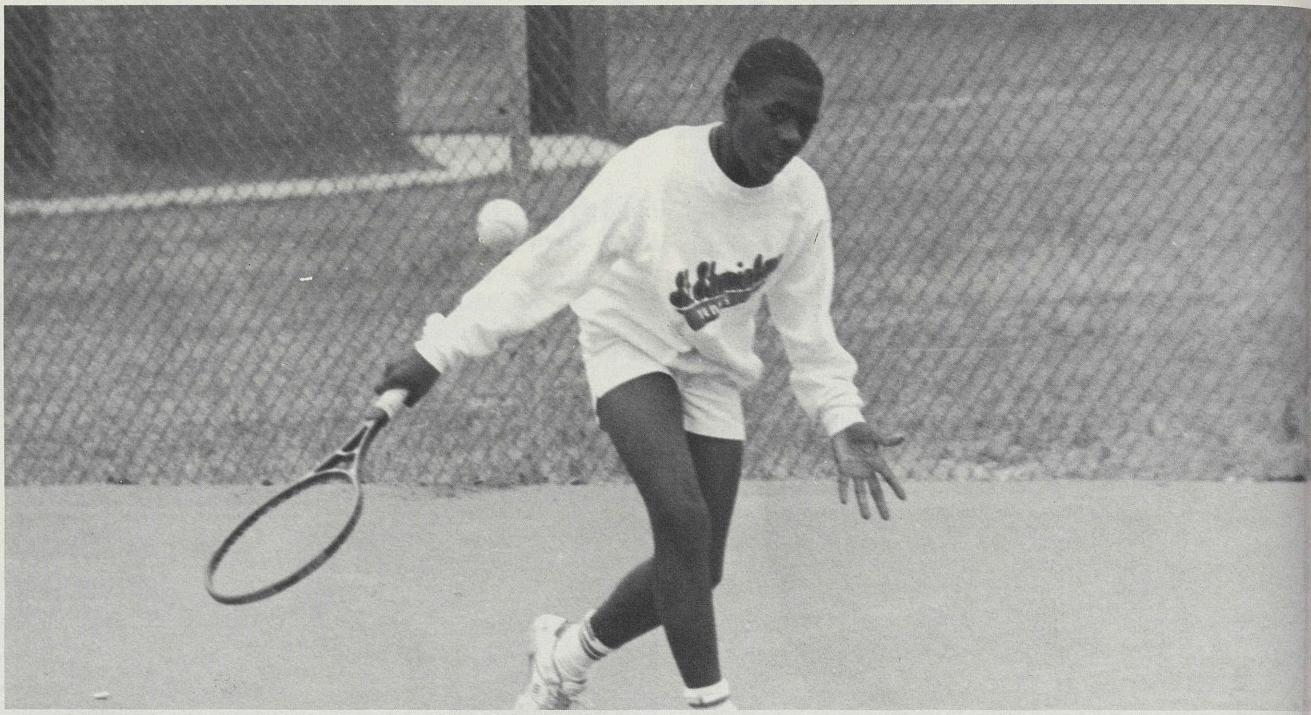

In summing up the long and hard tennis season, Coach Labat stated, "This was certainly an up and down year for us. I'm truly looking forward to 1990 with great expectations."

In the team picture, the members of the 1989 SSC Tennis Team include: (kneeling from left) Pablo Lorente, Myron Labat Jr., Stanley Chapman, Jaime Carvajal, Mario Blanco, and Francisco Acosta. ## Rocks Place a Close Second in District

### 1988-'89 Varsity Baseball Team

Head Coach Mike Gemelli, along with Assistant Coach Rory Rafferty, led the Rock-a-Chaws to a very successful varsity baseball season.

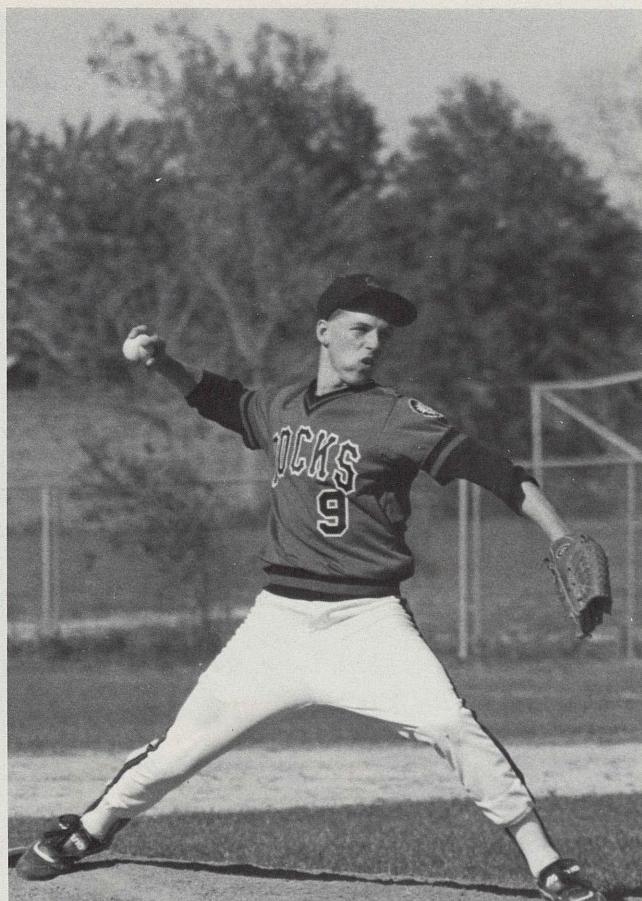

The Rocks were denied the chance at a playoff berth by a very narrow margin. The fans stuck by the Rocks by cheering them to victory many times this season. The fans know how sweet it is to come back to defeat an opponent in a close and important game. The sweetness was even greater for the baseball team when their perseverance as well as teamwork and skill yielded a well earned victory. These same values yielded an excellent year for the SSC Baseball Team.

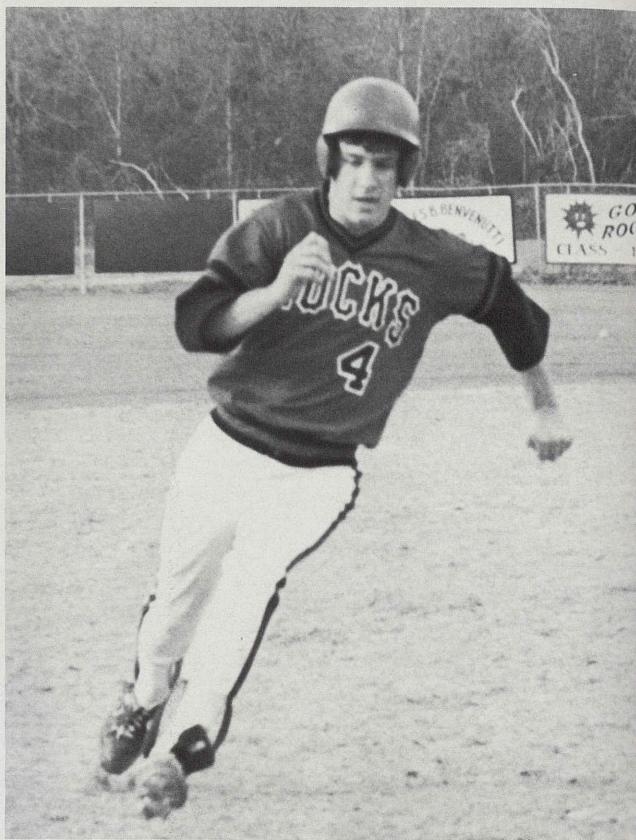

The players include: Gino Ascani, Robert Bishop, Bert Dean, Scott Heitzman, Kevin Jacobi, Marc Matherne, Lloyd Nicaud, Mickey Quinlan, Greg Schruff, Stephen Schruff, Cedric Smith, Tom Zant, Robert Bourgeois, Adam Breerwood, Terrell LaFontaine, Scott Niolet and John Ruth-erford.

## Fourth in District

One of the many accomplishments that the SSC Golf Team gained this past year was the achievement of fourth place in district tournament play. Eighth grader, Bo Miller, also represented Saint Stanislaus very nicely in a Mississippi statewide tournament.

The SSC Golf Team includes the following: Jeff Aycock, Chandler Tullis, Mark Gambino, Bo Miller, Sean Cassidy, Charlie Nelson, Tres Prats, John Roussel, Troy Schwant, Travis Todd, Heath Warner and George Wichser.

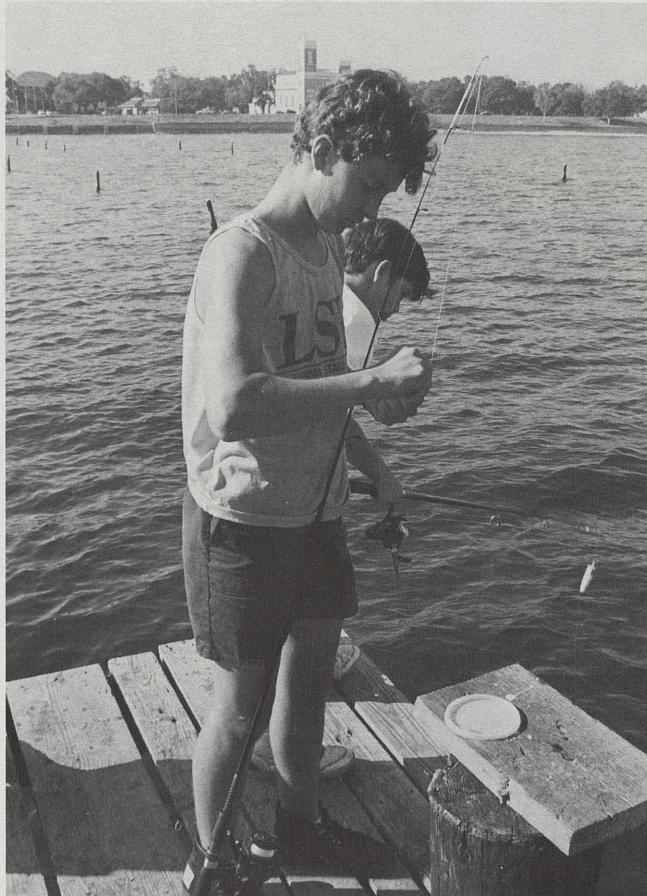

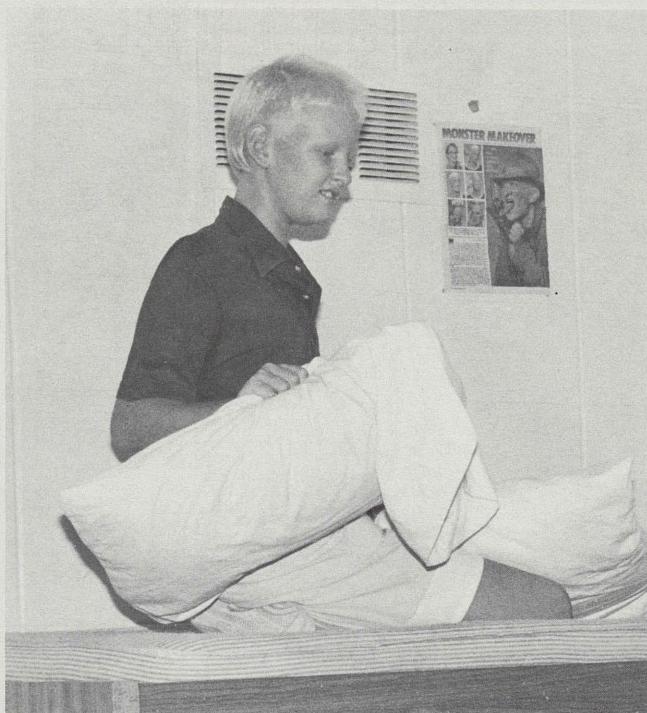

## DORM LIFE

# DORM LIFE

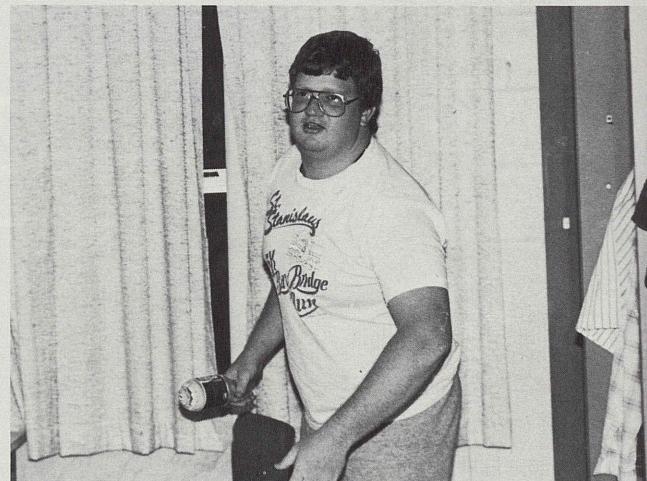

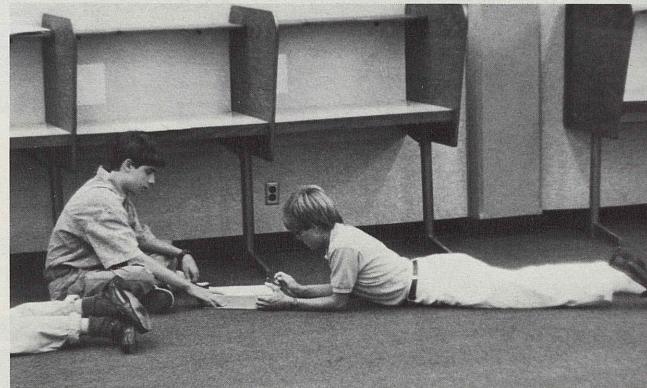

The boarding environment at St. Stanislaus provides many opportunities for social growth. The boarders experience give and take of "family life" by sharing rooms with members of the same age group.

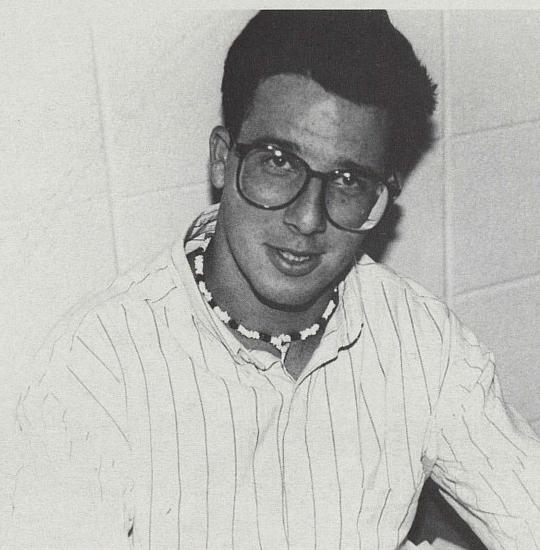

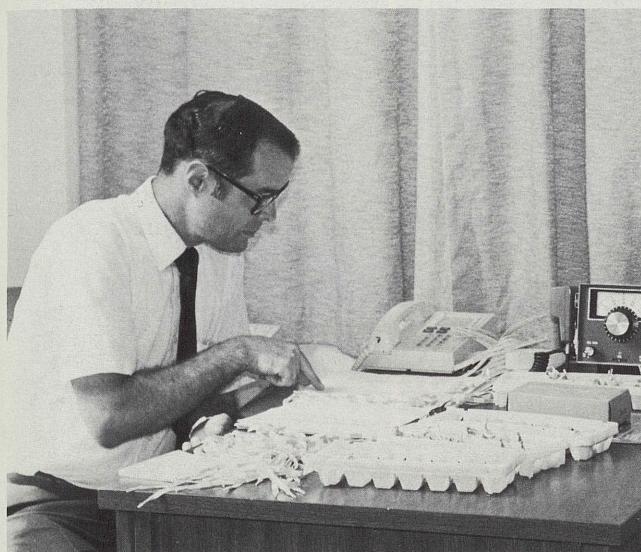

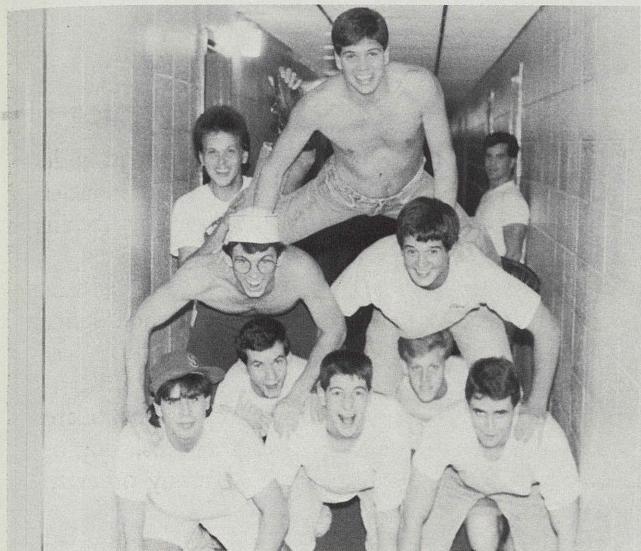

Several organizations are provided to allow students to pursue their individual interests — Student Council, Key Club, SADD, Radio Club, Computer Club, Yearbook, Band, Cheerleading, Drama, and many others.

In addition to the many school organizations, boarders may take part in dances, fishing rodeos, skating, skateboarding, pool tournaments, and many other leisure activities.

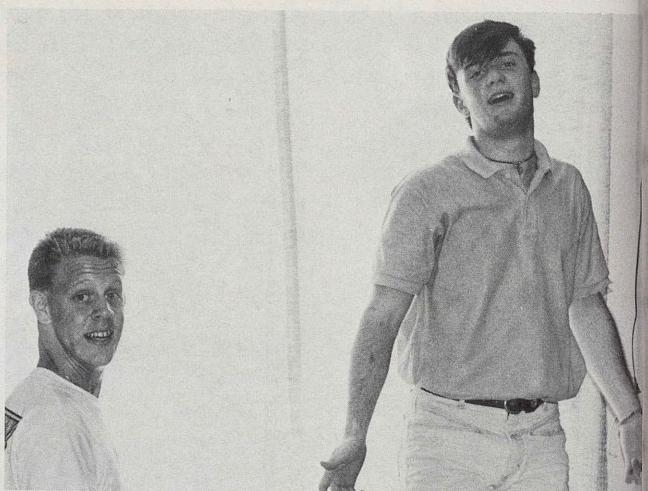

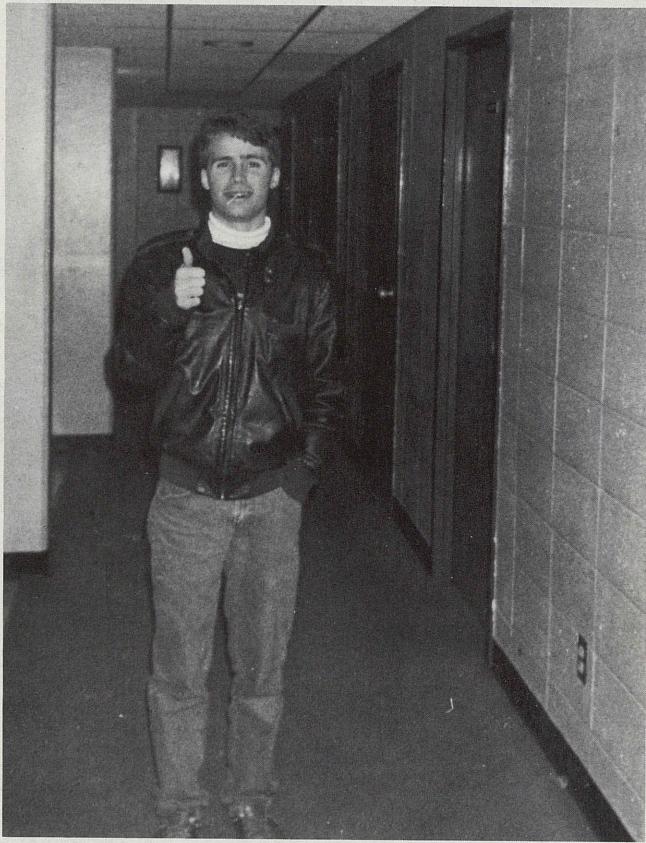

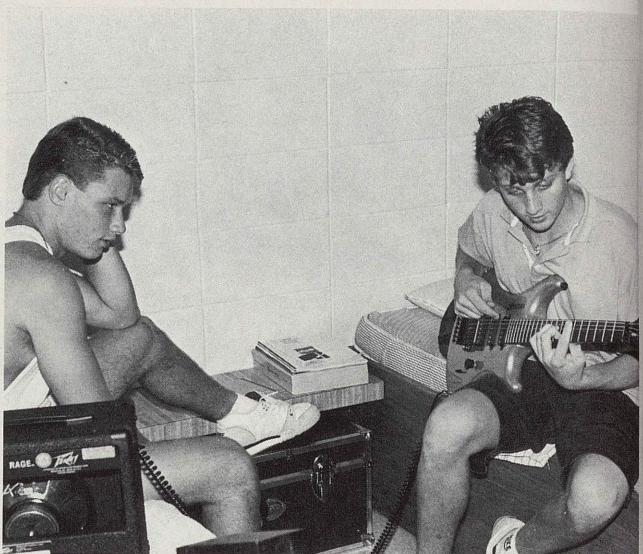

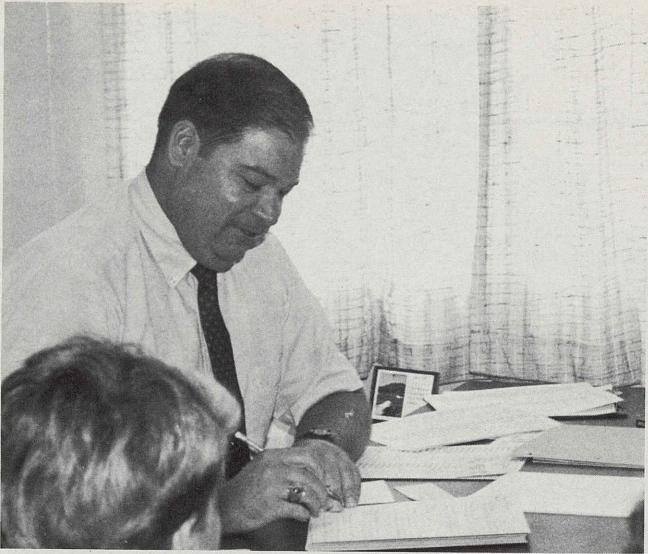

St. Stanislaus seeks to strengthen the social ties among the boarders, their families, the faculty, and the staff. In an environment characterized by Christ, concern, and friendly discipline, faculty and students get to know one another personally.

By encouraging students to interact openly and cordially with the adults around them, as well as with other youths, the boarding department fulfills its responsibility for shaping well-developed and mature "men of character."

# ATHLETIC AWARDS

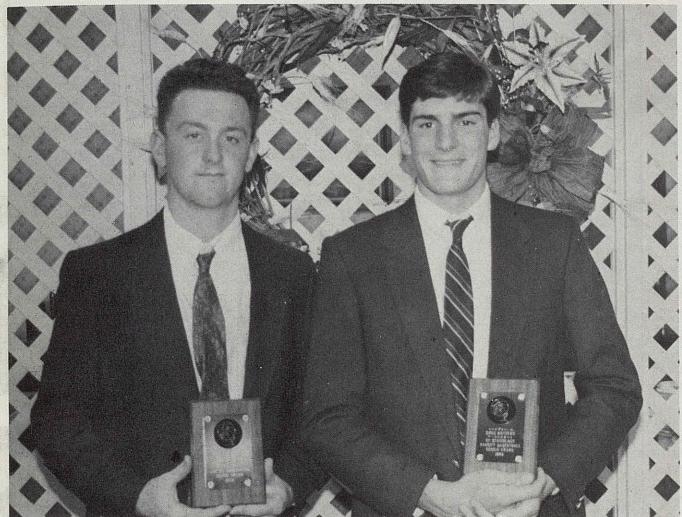

Parents and players gathered in November to put a ceremonial end to the '88 football season with an awards banquet. Each team member received a certificate of participation. Some members received certificates for also maintaining a GPA of three points or better. Those receiving special awards were: Justin Homes, Gino Asciani and Craig Sweeney (team captains). The coaches awards were earned by Craig Sweeney and Shannon Garrett. These players were selected by the coaches for their leadership on the football field. The Mr. Rock-A-Chaw Award, which is the most valuable award given in each sport every year, was earned by Gino Asciani.

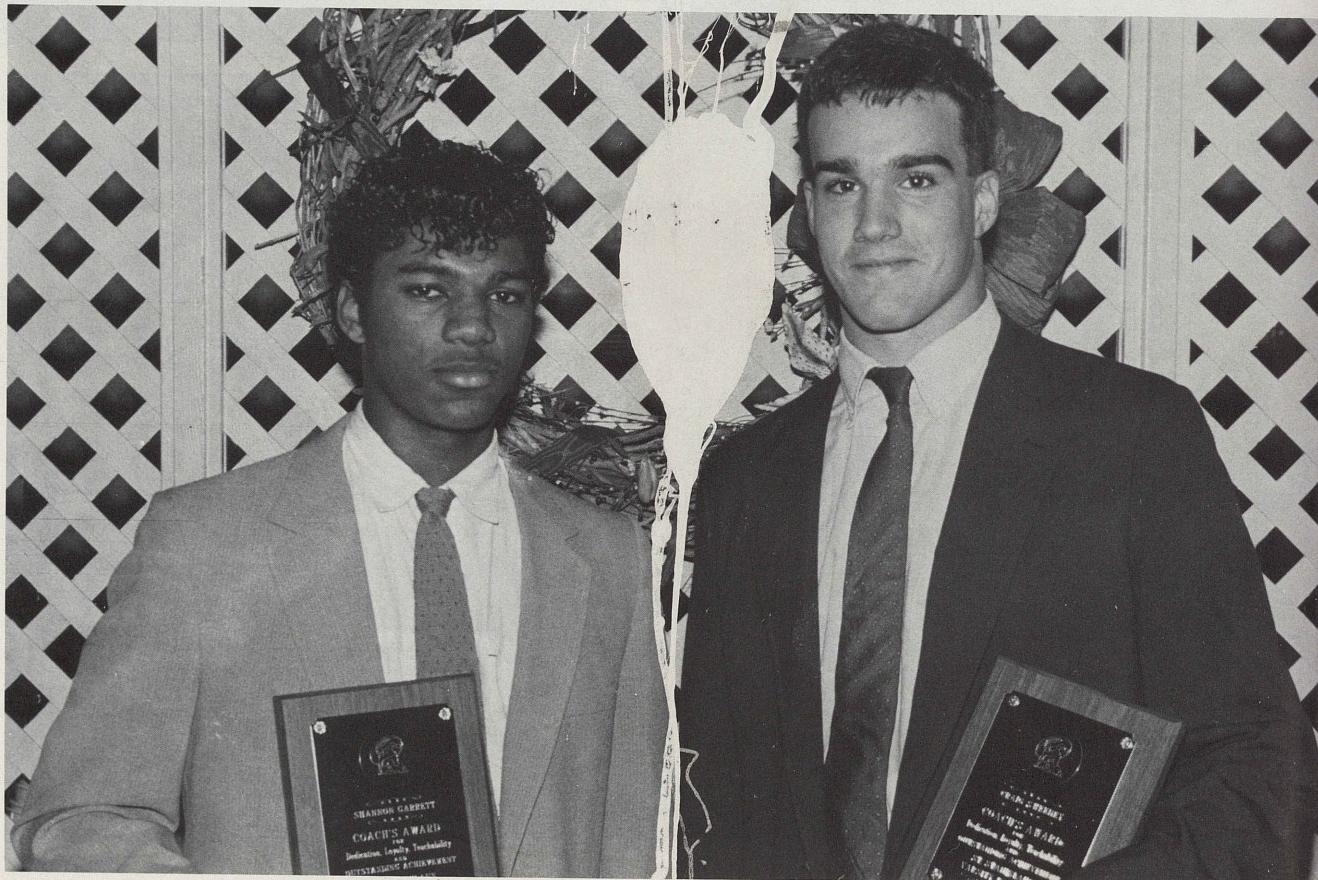

The basketball-soccer awards banquet took place in March. The awards presentation that followed recognized all basketball and soccer with a varsity letter certificate. Certain athletes were also honored for their academic excellence.

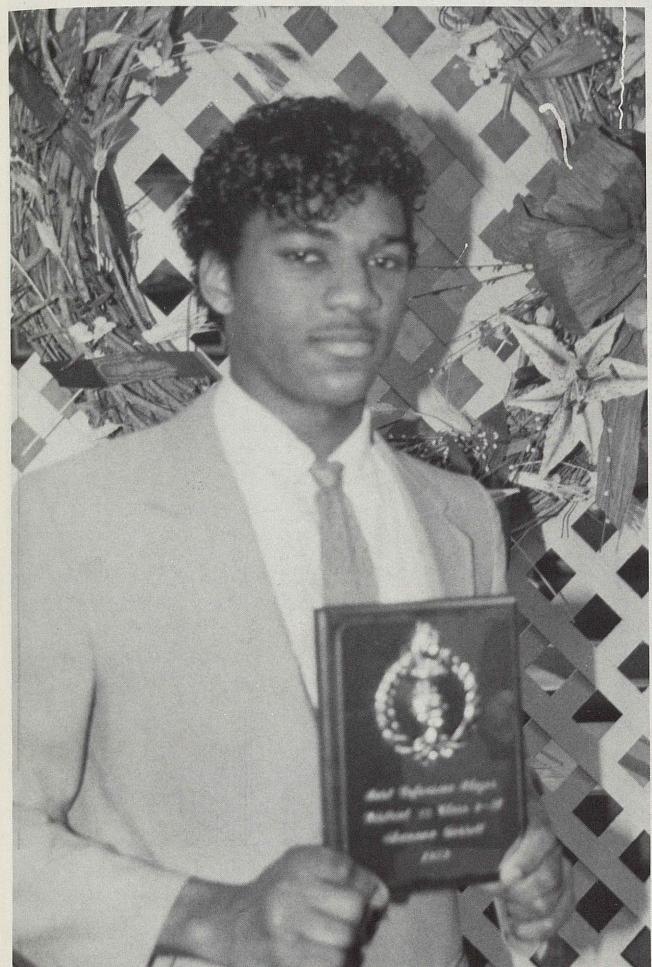

Alan Schott garnered soccer honors and for basketball, Greg Schruff was the big winner. The Mr. Rock-A-Chaw Awards were earned by Richard Gleber for soccer and Shannon Garrett for basketball.

# HONORS CONVOCATION

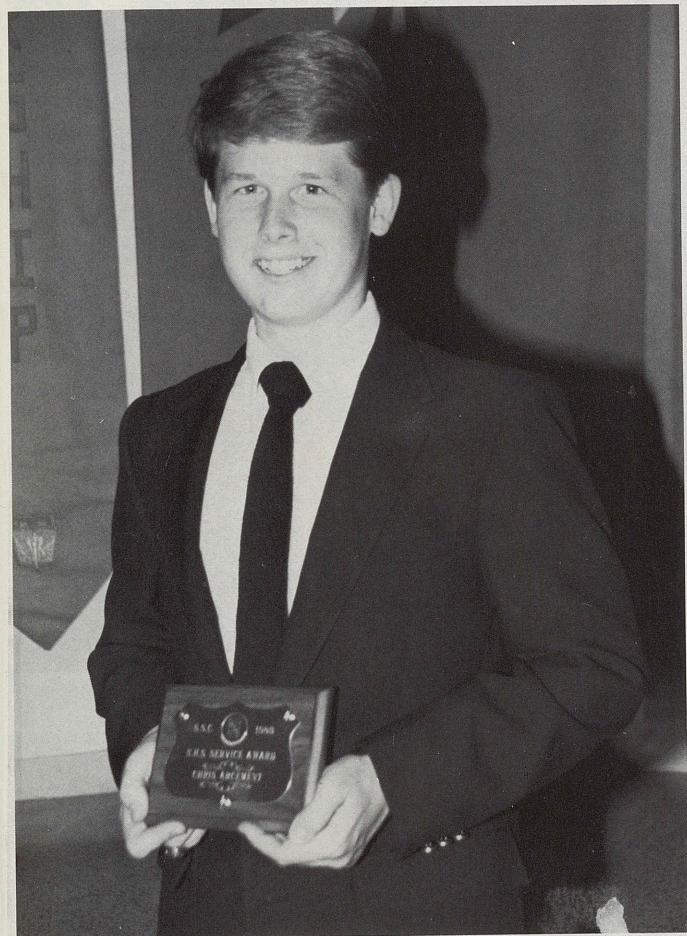

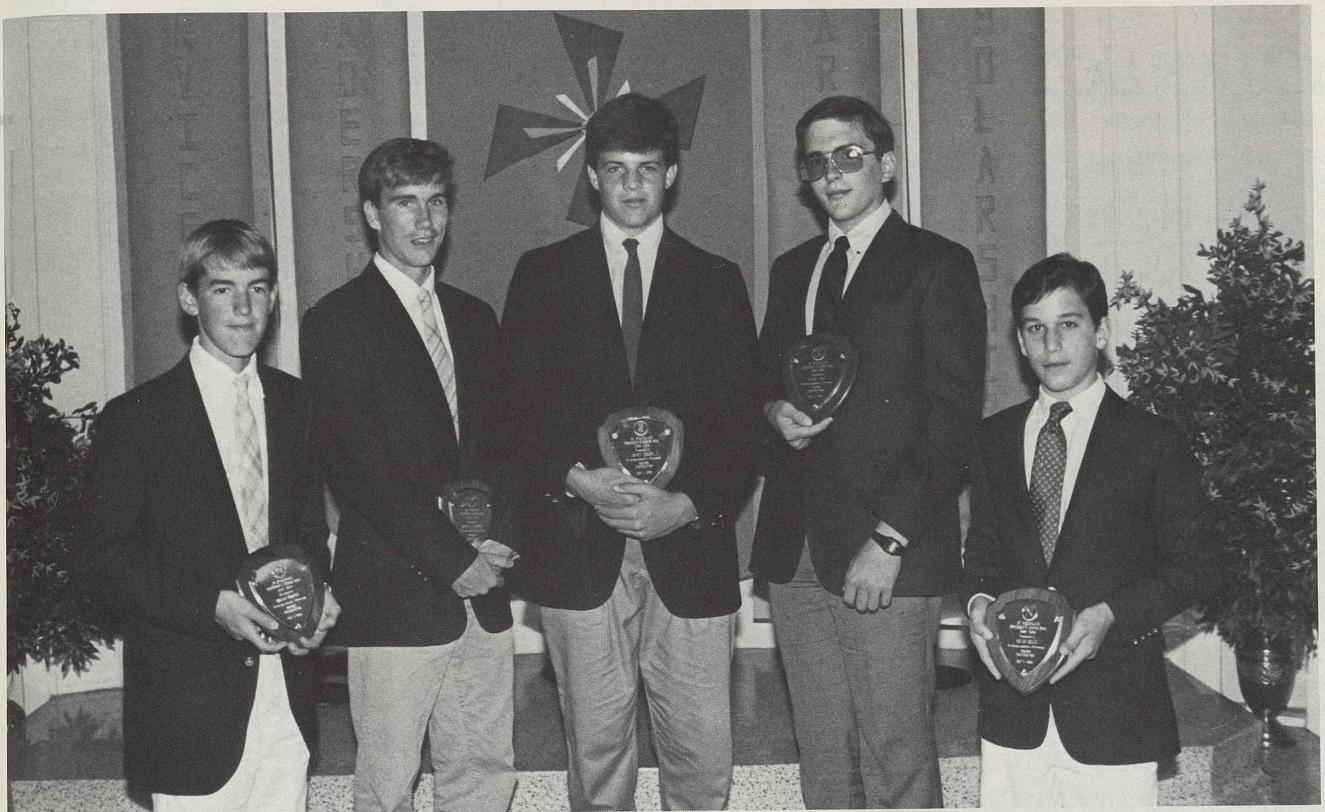

The 19th Annual Honors Convocation ceremony for St. Stanislaus was held on May 1. This event is sponsored annually by the Brother Peter Basso Chapter of the National Honor Society.

The purpose of this ceremony is to recognize the top scholars in the school and to induct new members into the National Honor Society.

The President's Honor Roll is the highest academic honor a student can receive at St. Stanislaus. To be included in this honor roll a student must achieve a perfect 4.0 grade point average for the school year. Plaques recognizing membership on the President's Honor Roll were awarded to Michael Cromwell, Scott Niolet, Elliot Selle, Mansel Bell, and Wayne Murphy.

The National Honor Society Service Award is given to a student who has devoted many hours in serving his peers, school and community. This year's Service Award was awarded to senior Chris Arcement.

## CHARACTER AWARDS

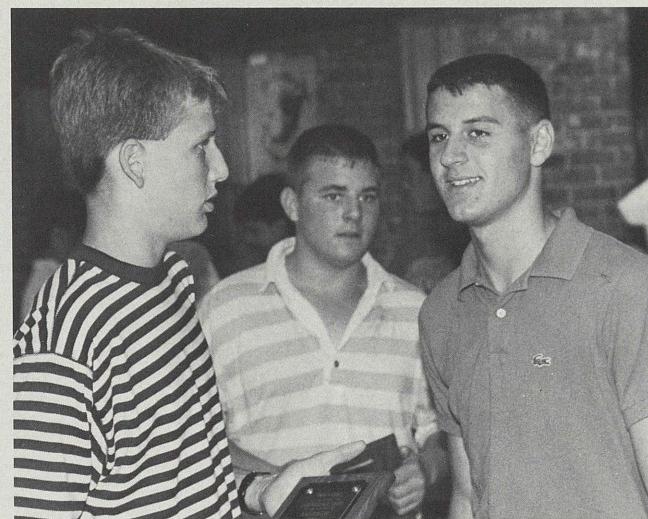

Several Awards were presented to underclassmen at the end of the school session. At individual gatherings, Prefects distributed honors which included the "Spirit Award," the "Service Award," and the coveted "Character Cup" which is the highest award attainable by underclassmen here at St. Stanislaus. The purpose of character awards is to recognize those individuals whose cooperation, leadership, pursuit of academic excellence, and dedication served as an example to fellow underclassmen.

Eighth Grade honors were awarded to resident and day students at the annual promotion ceremony held during the final weeks of school.

# ACKNOWLEDGEMENTS

This year, we chose as the theme for our book to look at the Past, Present, and Future. I stop and consider the theme now as I look back on the '88-'89 school year and look forward to the '89-'90 school year.

This past year for the Reflections staff was one of challenges and triumphs; frustrations and solutions; deadlines and victories. Next year promises to be one of changes and innovations. We plan to convert the entire production of our Reflections yearbook to computer (except, of course, for photography). That is, the planning, production, and packaging of our yearbook will be completely computerized. We hope this will not only help us to be better organized but also will help us to produce a better product — i.e., a better yearbook.

So, having completed our look at our past and our future, I feel now that I must thank a few people for their invaluable assistance in helping us to produce the 1989 edition of Reflections.

First, and foremost, I want to thank my crew — the '89 Reflections staff — Chris Kern, Editor-in-chief; Cliff Ling, Stan LeBlanc, and Jimmy Watts, Editors; George Holder, Mansel Bell, Clif Pope, and Geoffrey Kohl, Contributing Editors. These fellows put in long, hard hours in the final production stage and sacrificed much of their free time to present to you the book — Reflections '89.

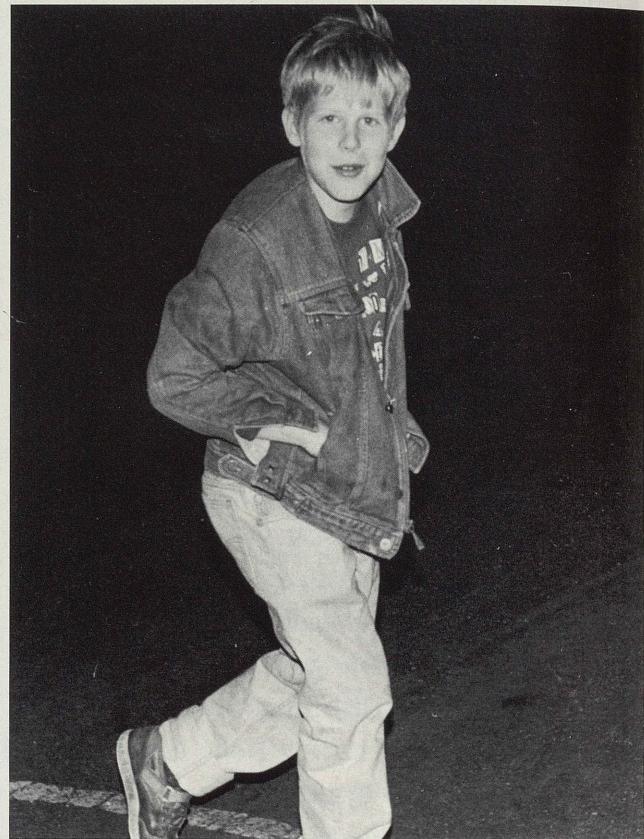

In addition, I would like to acknowledge the contributions and assistance provided by the following individuals — Brother Paul Montero, Principal; Mr. Pat Palmer, Taylor Publishing Company; Mr. Bill Franklin, Computer Whiz Extraordinaire; Brother Eduardo Baldioceda, Computer Master; Mrs. Dolores Richmond, Angel to the Rescue; Mrs. Beverly Zimmerman, the Lifesaver; Mrs. Gina Bolian, Administrative Secretary and Holder of Knowledge; Mrs. Susan Hoda and Mrs. Laurin LaFontaine, Finance and Budgeting; Mrs. Ann Kortman, Journalist; Mrs. Linda Knight, 'Ma Bell'; Mr. Bill Jennings, Yearbook Vet and Holder of Nine Purple Hearts in Yearbook Production; Brother Aquin Gauthier, Publicity; and Mr. David Schommer, Friend and Empathizer. I would also like to acknowledge the staff and editors of our school newspaper, The Rock-a-chaw, who graciously allowed us to "steal" some of their work. In addition, I would also like to thank the staff and editors of The Sea Coast Echo and The Sun Herald newspapers for their contributions.

And finally, I would like to thank Mr. Tom Ackerman and his multi-talented photography staff — John Endom, Jonathan Morrill, Stanley LeBlanc, John Fisher, and Dennis Behan. Mr. Ackerman and his staff logged many long hours, accomplishing a very hard and thankless job — covering all of the St. Stanislaus events for us, LWAS, and publicity purposes.

I hope you enjoy the book, now and in years to come. We'll see you next year, for a bigger and better Reflections 1990.
